Welcome:
Faculty Chair Alex White welcomed everyone to the first meeting of the new year. New members/liaisons present: Hannah Thornton (FCS), Caprice Pierucci (Art & Design), Kevin Jetton (CIS/QMST) and Marylyn Kajs-Wyllie (Nursing, RR). Other members/liaisons present introduced themselves. Alex clarified the distinction between a member vs. a Liaison of the NLFC Committee.

Election of Committee Officers:
- Vice-Chair: By acclamation, Sherri Mora (Pol Sci)
- Secretary: By acclamation, Jo Beth Oestreich (C&I)

Report on NLFC Orientation:
There were three NLFC Orientations held in August (23 & 24). A total of 60 new faculty members attended 1 of 3 sessions offered. Of those attending, 90% of them stated the orientation was helpful. Additional data collected was based on attendees’ overall response to different segments of the presentation on a scale of 1-4, the overall average was 3.5%. Prior to beginning the orientation session, Alex asked those in attendance to write down at least three questions they had. Alex provided attendees the opportunity to work in small groups to discuss questions new NLFC brought to the orientation session.
Discussion included suggestions for changing the spring orientation. Alex reported a number of attendees to our orientation had similar information presented in an earlier session. Perhaps our committee can eliminate some elements from the current program to avoid redundancy. Please know the information developed by the NLFC was used by the Tenure track presenters during morning sessions of the orientation day (attended by many of the NLFC faculty).

24. Faculty members are expected to keep regular office hours suitable to meet with, confer with, and counsel students. Office hours should be chosen for convenience of student visits and should be posted. Normally, it is expected that a minimum of five hours of office time per week should be kept on an announced schedule and that faculty members should be available for student conferences at other times by appointment.

25. Instructors should publicize their office hours in classes, on syllabi, and on their office doors.

26. Instructors are expected to remain available during each entire office hour. If they must cancel any office hour because of illness, attendance at a professional meeting, or an important and unavoidable commitment, they should inform their department chair/school director and students.
