Request to Schedule an Appointment for ADD/ADHD Care

Patients seeking medication for the treatment of ADD/ADHD are required to provide evidence of at least one of the following:

1. Neuropsychological testing or evaluation leading to the diagnosis of ADHD. Testing or evaluation during childhood is acceptable.
2. Recent treatment by a psychiatrist for ADHD.
3. Documentation of diagnosis, prescribed medication, and treatment notes by current provider.

Per Student Health Center (SHC) policy, no appointment can be made until the documentation has been reviewed and approved by a SHC physician.

Please review the following SHC process:

- Request a copy of your medical records be faxed to the SHC at (512) 245-9288.
  - Records should include any testing performed for ADHD by a psychologist or psychiatrist AND ADHD treatment notes from your current doctor.
- You are responsible to follow up with YOUR doctor to make sure records are sent to the SHC.
- Allow 7 days for records to be reviewed once received by SHC.
- Wait for a nurse to call you to schedule an appointment.

Have the above documentation mailed, faxed, or brought by the SHC.
