The update to UPPS 04.04.35: Professional Development and Educational Opportunities outlines how employees can receive reimbursement of certain fees after successful completion of course(s) by submitting the Academic Fee Reimbursement Form.

From now on, only the online academic reimbursement form is accepted, due to the discontinuance of the paper form. For more details, visit [www.txstate.edu/pdevelop/academic-reimbursement-policy.html](http://www.txstate.edu/pdevelop/academic-reimbursement-policy.html) The revised policy also enforces stricter deadlines for submission. The deadlines for the acceptance of the academic reimbursement form are: 12th class day for fall and spring semesters, and 4th class day of the first summer session for both summer sessions.

Employees enrolled in courses for Spring 2018 must complete the online academic reimbursement form by January 31. Late online submission will only be accepted when approval is routed through the employee’s Cabinet member and the VPFSS.

NEED TO MAKE TAX CHANGES FOR 2018?

W-4
Change your W-4 tax status by using Employee Self-Service in the SAP Portal. You will find the W-4 form under the ‘Benefits and Payroll’ tab. Easily make your changes online or come by JCK 360 to submit a paper copy.

If you would like the change to be effective with your January 2 paycheck, be sure to make the change no later than December 10! Changes made after December 10 will take effect on the following paycheck. Remember, you can make changes to your W-4 at any time throughout the year.

Tax Deferred Accounts
The IRS recently announced the new contribution and benefit plan limits for 2018. For 403(b) and 457 elective deferrals, the annual limit increased to $18,500.

If you would like to make changes to your voluntary 403(b), please complete the TDA Salary Reduction Agreement located on the HR website or in JCK 360. For changes to your 457 plan, contact Texa$aver at www.texasaver.com or 800.634.5091.

Did you participate in TexFlex last plan year?

You can carry over a maximum of $500 in your TexFlex Health Care account. You can log in to your TexFlex account at www.texflex-fsa.com to view your balances. On January 1, 2018, if you have more than $500 left from the last plan year, you will forfeit that amount.

The TexFlex Dependent Day Care does not have a carry over feature. The last day to submit claims for day care expenses incurred between September 1, 2016 – November 15, 2017 (2 ½ month grace period) is December 31, 2017.
The University will be closed December 21, 2017 through January 3, 2018 and paychecks will be available for pickup on January 4, 2018.

ANNOUNCEMENT

Texas State support of GED Certificate Attainment

Employees begin the process by receiving approval from their supervisor and submitting the Release Time and Reimbursement for GED Attainment Form to HR/PD. Employees will receive release time from work to attend registration and assessment (two partial days) if those time periods are during their regular work hours.

Employees will be reimbursed the cost of each subtest upon successful completion. Upon completion of all four subtests, the employee will receive a one-time payment to help cover costs involved with travel for study sessions and testing.

Contact Professional Development with questions at professionaldev@txstate.edu or 5.7899.

Update | VOLUNTEER POLICY CHANGES

UPPS 04.04.09 describes how university employees can become volunteers and their eligibility for volunteering during their regular work time. Recent revisions to the UPPS included a listing of on-campus events that employees can volunteer for. See those events on the right.

Any volunteer activity that occurs that is not listed to the right is not considered work time. Volunteer time must be pre-approved by the employee’s supervisor.

In addition, employees may volunteer for non-incidental events lasting no longer than an hour per week. Non-incidental volunteer activity requires the use of paid leave time and must be pre-approved by the employee’s supervisor. A more detailed explanation is found in the policy.

For additional information, please contact the Compensation Section in HR at 5.2557.

Time spent volunteering for the following events is considered work time:

- BOBCAT DAYS
- NEW STUDENT ORIENTATION
- PARENT AND FAMILY DINNERS
- FAMILY WEEKEND
- MOVE-IN WEEKEND/BOBCAT PREVIEW
- COMMENCEMENT
WellCats encourages its members to focus on wellness rather than overall health. As you may recall from other newsletters, wellness refers to a positive approach you take to living in order to enhance your quality of life and achieve your full potential. Wellness requires a balance among 8 broad areas:

As you celebrate the holidays and spend time with friends and family, try not to lose sight of your overall wellness. It is easy to get caught up in the festivities and over indulge. So, our focus this month is on physical wellness. Physical wellness is the ability to maintain a healthy quality of life that allows you to get through your daily activities without undue fatigue or physical stress. Physical wellness involves the adoption of healthy habits and the avoidance of unhealthy, destructive habits. Habits/behaviors to adopt, especially this month, include: limiting the time that you spend watching TV or on social media; exercising regularly, safely, and effectively; consuming a healthy diet; limiting your alcohol intake; and getting enough sleep. Obviously, habits/behaviors to avoid include: drinking excessively, watching too much television, sitting for long periods of time, and eating high fat, high calorie foods.

Take a moment to reflect. How many healthy habits do you have? How many unhealthy habits? Ask yourself the following questions: “How do I feel when I get home at night, on the weekends, or when I wake-up in the morning? Am I overly tired? Do I feel aches and pains?”

If you do feel overly tired and are suffering from physical ailments, then you may need to focus more on physical wellness. There are many strategies that you can use, including: find a workout buddy; visit with your healthcare provider; integrate at least 30 minutes of physical activity during the day; learn how to eat healthier; turn your television and mobile phone off at night and get at least 8 hours of sleep. The list goes on and on. It’s important to remember that wellness is an active process that requires regular awareness. Translation – there is always room to improve, but to do so, you need to reflect on your wellness, educate yourself about how to become more well, ask for help (if and when you need to), and, like the Nike commercial simply says, “Just do it!”

Let WellCats help you become MORE well. We offer a variety of services designed to promote physical wellness.

**GET PHYSICAL**

**MAKE IT SOCIAL**

**NUTRITION CONSULTATION**
Want to learn how to eat healthy. How about sign-up for one-on-one nutrition consultation?

Don’t know where to begin? How about signing up for health-related physical fitness testing with basic exercise programming?
