ABOUT THIS PROGRAM:
May 24, 2017 - June 22, 2017

We will visit two of the most beautiful and prosperous countries in the world: Iceland and Norway. Students will witness breathtaking beauty in its fjords, mountains, forests, and tundra. Students will learn about the physical geography and cultures of the Nordic people. We will visit museums, art galleries, outdoor sculpture park, farms, geothermal landscapes, and learn about who really discovered the New World! Our studies will take us to the vibrant cities of Reykjavik, Oslo, Bergen, and Trondheim. Additionally, your trip will include two trips aboard ships. The first voyage is in Geiranger Fjord which is one of the most beautiful fjords in the world. Our second voyage is two days on a Hurtigruten ship from Bergen to Trondheim with numerous stops in smaller coastal and fjord communities.
