P-Card Audit

- AUDIT FINDINGS
- REQUIRED CHANGES
P-CARD AUDIT

- Reconcile on the 15th of each month
  - Since a lot of departments do not have a date and time stamp, this will alleviate any issues with late statements/reconciliations.
  - This will help you set up a recurring task on Outlook to remind you to reconcile.
  - If this is not done, it will be an audit finding.

- Use the most current log form
  - All documents are approved by the System Office and are considered the Official University Document. If the most current form is not used, it will be an audit finding.
  - Someone other than the cardholder MUST initial and date the Received area. If this is not done, it will be an audit finding.

QUESTIONS & ANSWERS

  ○ Yes, as it pertains to the computer repair.

• Do I fill out the log every time I purchase an item on the P-Card.
  ○ Yes, then complete the Receiving info when that is completed.

• What do I use for the receiving date for on-line registrations, memberships, subscriptions, etc.?  
  ○ Print the online confirmation and use that as the receiving date and obtain the signature.

• What can verify the receipt request? Does it have to be the Account Manager or my Supervisor?
  ○ Any employee (including student workers) other than the employee whose name is on the P-Card can complete the receiving information.
