¹ Students are required to take 14-16 hours of the same foreign language, which may include American Sign Language. The freshman-level foreign language courses from ACC satisfy the Communication component area (011) of ACC's Core Curriculum. **Therefore students who complete the freshman-level language courses at ACC do NOT need to take SPCH to satisfy the (011) requirement.**

² The two sophomore-level courses must be from the same foreign language as the two freshman-level courses. **If both sophomore foreign languages are taken at ACC, then PHIL & ENGL Lit core components will be satisfied for Texas State.**

³ Computer Science majors must take 8 hours of the same natural science from: BIOL 1406 & 1407; CHEM 1311/1111 & 1312/1112; GEOL 1403 & 1404; PHYS 1401 & 1402 [or PHYS 2425 & 2426].

⁴ Select one course from the ACC Humanities core curriculum courses, core coded 040/041.

⁵ Select any course from the Visual and Performing Arts component area (050) of ACC's Core Curriculum list.

⁶ Select any course from the Social and Behavioral Sciences component area (080) of ACC's Core Curriculum list.

⁷ A minor is required. Course requirements for the Business Administration minor are built into this degree plan. Students can select a different minor. CIS 3317 and FIN 3325 are currently only available in San Marcos. For questions about the minor contact the Texas State Round Rock academic advisor.

^C To be eligible to graduate with honors, transfer students must complete a minimum of 54 hours through Texas State and earn a 3.40 or higher Texas State GPA. Courses designated with a "C" are also available via Texas State Correspondence (www.correspondence.txstate.edu). The grades and hours earned through correspondence count toward the minimum hours and GPA needed to graduate with honors.

NOTES:

- * Texas State Round Rock only offers the upper level courses. All lower level course work must be completed at ACC, in San Marcos or via Correspondence. The lower level core courses should be completed before applying to Texas State Round Rock.
- 1. Texas State will apply up to 66 hours from an accredited two-year college to a degree. (6-8 hours may be added with college dean approval). For students completing this degree at the Round Rock Campus, Texas State will apply up to 72 hours.
- 2. Must complete 36 advanced hours, 9 writing intensive (WI) hours, and 24 of the last 30 hours must be completed at Texas State.
- 3. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to ACC to be applied toward an associate's degree. This is commonly referred to as "reverse transfer."

TEXAS STATE UNIVERSITY-SAN MARCOS

UNIVERSITY TRANSFER ADMISSION:

1. Submit Transfer Admission Application online at www.ApplyTexas.org, pay application fee, and all credentials to the Texas State Office of Undergraduate Admissions by the stated deadline: www.admissions.txstate.edu/future/deadlines.html
2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions by the deadline. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.
3. A minimum 2.25 grade point average (GPA) in all transferable courses (minimum of 30 hours) is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.
4. Visit the Round Rock Center website to ensure you complete the appropriate steps for Getting Started since the procedures to follow after being admitted are different from the main campus: www.rrc.txstate.edu/prospective/starting.html
