NEWS FLASH

A new student employee performance review process begins this semester for all LBJSC student staff. Supervisors must meet with and review each new staff member after 8 weeks of employment, and all student staff will be evaluated at the end of each semester. This new process will help to establish a raise/promotion program.

WELCOME NEW STAFF

The start of the new semester has meant a lot of new and exciting changes for us, and no change means more than the addition of new LBJSC family members. Our new Assistant Director of Student Involvement is Kimberly Duncan-Ashley, and PALM has drafted Megan Foster for the Graphic Design II position. Be sure to congratulate each of them on joining our team.

EXTENDED BUILDING HOURS

As the Student Center continues to provide our students with exceptional services, the decision to extend the building’s hours of operations has been made. To find all of the updated hours, visit your very own LBJSC website. Since it is never too soon to be thinking about our next vacation, keep in mind that the Student Center will be closing for Spring Break March 16–20.

Check out the extended hours here: http://www.lbjsc.txstate.edu/About/hours.html

DID’YA KNOW

Texas State offers a wide array of services that often go unseen. One such service only becomes noticeable when disaster strikes; the LBJ Student Center is a Red Cross emergency shelter. While disasters are generally unpleasant situations, the requirements for being a shelter do provide LBJSC with a very pleasant feature: a full bathroom! Located just behind the ballroom stage, this bathroom offers the height of luxury with a lovely shower available. This is special to LBJ, so don’t go around telling everyone.
