HEALTH AND WELLNESS PROMOTION COURSE SEQUENCES

This guide is based on course prerequisites as they are listed in the 2017-2018 Undergraduate Catalog. Since prerequisites are subject to change, always refer to the current Undergraduate Catalog to verify sequencing. You can also schedule an appointment with your Academic Advisor to discuss long-range planning.

NOTE: Grades of ‘C’ or better are required to progress through all course sequences. If you earned a ‘D’ and have questions about repeating the course, speak with your Advisor.

MATH AND SCIENCE

MATH 1315 → HED 3315 or HP 3325
