**Why Sorrento?**
Study abroad programs in Italy have traditionally focused on the popular cultural centers of Rome, Florence, Milan, and other cities in the north of Italy. Sorrento offers the study abroad student an opportunity to experience the unique culture, customs and climate of southern Italy.

Sorrento is situated on the west coast of Italy, twenty miles south of the city of Naples, on the spectacular Amalfi Coast. Within easy reach of Sorrento are the: stunning islands of Capri and Ischia; baroque splendor of Naples; majestic Greek temples at Paestum; historic Roman ruins of Pompeii and Herculaneum; world-famous collection at the National Archaeological Museum in Naples; cliff hanging villages of the Amalfi Coast (i.e. Positano, Amalfi and Ravello); world’s best known volcano, Mount Vesuvius.

“Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did do. So throw off the bowlines, sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover” - Mark Twain
