Add/ Drop Double Major

Current

Major 1: ________________________
Major 2: ________________________
Catalog Year: ________________

Changing to

Major 1: ________________________
Major 2: ________________________
Catalog Year: ________________

Student Information
Name: _____________________________ Texas State ID: AO _____________ Effective Semester: ____________

I understand that:

☐ The decision to change to add or remove another major now or in a future semester will likely result in additional hours required for degree completion and delayed graduation and could potentially result in tuition for excessive attempted hours.

☐ I will need to seek advising from the College Academic Advising Center of my majors. This could mean that I will need to be advised by an Advising Center other than the College of Education Advising Center. College of Education Advisors are only familiar with degree programs offered in the College of Education.

☐ Certain Majors may have a prerequisite sequence and have coursework offered on a rotational basis. I should be aware of the coursework required for my second Major and plan accordingly.

☐ In order to graduate with a double major, I must complete all University and degree requirements for both programs and apply for graduation when the requirements of both programs have been met.

☐ Upon graduation, I will receive one diploma, which will list both majors.

☐ Regardless of catalog year, I will be held to current academic policies and course prerequisites which are subject to change.
