EEO and Title IX Notice

Title IX:

Texas State University is firmly committed to maintaining an educational environment free from all forms of sex discrimination. Sexual Misconduct, as defined in the Texas State University System Sexual Misconduct policy, is a form of sex discrimination and will not be tolerated. The term sexual misconduct includes but is not limited to sexual assault, sexual exploitation, sexual intimidation, sexual harassment, family (domestic) violence, dating violence, and stalking. Texas State will maintain an environment that promotes prompt reporting of all types of Sexual Misconduct and timely and fair resolution of Sexual Misconduct complaints. Texas State will take prompt and appropriate action to eliminate Sexual Misconduct when such is committed, prevent its recurrence, and remedy its effects. In order to address concerns related to Sexual Misconduct at Texas State University, please contact the Title IX Coordinator in the Office of Equity and Access at 512.245.2539, by email at TitleIX@txstate.edu or in person at J.C. Kellam 520.

Specific definitions, reporting policies and protocols, procedures for investigating sexual misconduct, and sanctions are outlined in the Texas State University System Sexual Misconduct policy at: http://www.txstate.edu/oea/related-policies/contentParagraph/05/content_files/file/document/TSUS%20Sexual%20Misconduct%20Policy%20and%20Procedures.pdf

EEO – Non Discrimination Statement:

Texas State University is committed to an inclusive education and work environment that provides equal opportunity and access to all qualified persons. Texas State, to the extent not in conflict with federal or state law, prohibits discrimination or harassment on the basis of race, color, national origin, age, sex, religion, disability, veterans’ status, sexual orientation, gender identity or expression.

Retaliation Prohibited for Reporting Violation of Law  Govt. Code Sec. 554.001

(a) A state or local governmental entity may not suspend or terminate the employment of, or take other adverse personnel action against, a public employee who in good faith reports a violation of law by the employing governmental entity or another public employee to an appropriate law enforcement authority.

(b) In this section, a report is made to an appropriate law enforcement authority if the authority is a part of a state or local government entity or of the federal government that the employee in good faith believes is authorized to:

(1) regulate under or enforce the law alleged to be violated in the report; or

(2) investigate or prosecute a violation of criminal law.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Standards of Conduct – Conflict of Interest  Gov’t Code § 2113.014

The legislature has adopted the following standards of conduct for state employees:

A state officer or employee should not:

1. accept or solicit any gift, favor, or service that might reasonably tend to influence the officer or employee in the discharge of official duties or that the officer or employee knows or should know is being offered with the intent to influence the officer's or employee's official conduct;
2. accept other employment or engage in a business or professional activity that the officer or employee might reasonably expect would require or induce the officer or employee to disclose confidential information acquired by reason of the official position;
3. accept other employment or compensation that could reasonably be expected to impair the officer's or employee's independence of judgment in the performance of the officer's or employee's official duties;
4. make personal investments that could reasonably be expected to create a substantial conflict between the officer's or employee's private interest and the public interest; or
5. intentionally or knowingly solicit, accept, or agree to accept any benefit for having exercised the officer's or employee's official powers or performed the officer's or employee's official duties in favor of another.

Student Right-to-Know and Campus Security Act

In compliance with the Campus Security Act Title 34, Volume III CFR 668.41. The Texas State Campus Security Report is published each year and includes descriptions of campus crime prevention programs, procedures for reporting crimes on campus, and information about the number and frequency of crimes reported to the University Police Department over the last three years. The report provides summaries of university policies related to campus security and law enforcement as they relate to sexual offenses, liquor law violations, and controlled substance offenses. The Texas State Campus Security Report is available at no charge from the university's Offices of Admissions, Graduate College, Human Resources or the University Police Department. It is also available at www.police.txstate.edu under department information and publications.
Title IX Complaints of Sexual Misconduct

Title IX Coordinator
The Title IX Coordinator at Texas State University is Dr. Gilda Garcia, who also serves as the Chief Diversity Officer and Director of Equity and Access.

Who does Title IX affect?
Title IX protects all students, staff, faculty and visitors from discrimination on the grounds of gender, sex, gender identity or expression, and sexual orientation.

What are the examples of Title IX / Sexual Misconduct Policy violations?
Have you ever heard someone share one of the following?

“*He keeps texting and e-mailing me even though I have asked him not to.*”
“*She screams at me in public, puts me down and calls me names.*”
“*I felt pressured to have sex when I didn’t want to.*”

If so, you may have heard someone share an example of a Title IX violation. Texas State University’s Title IX Policy outlines prohibited sexual misconduct, including:

- sexual assault
- sexual harassment
- sexual exploitation
- sexual intimidation
- stalking
- dating violence
- family (domestic) violence

For more information, please visit txstate.edu/oea/Sexual-Misconduct--Title-IX-.html

If you feel you are or have been a victim or know a victim of sexual misconduct, contact the Title IX Coordinator:

Report an instance of sexual misconduct at:
tim.txstate.edu/sexualmisconductwebline/

Title IX
No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

Legal Citation: Title IX of the Education Amendments of 1972, and its implementing regulation at 34 C.F.R. Part 106 (Title IX)
1. **General Provisions**

A person who is employed by more than one state agency or institution of higher education may not receive benefits from the state that exceed the benefits provided for one full-time employee. The person must be informed of the requirements of this chapter before the person is employed by more than one agency or institution:

a. Separate vacation and sick leave records must be maintained for each employment. If the person separates from employment, the person's leave balances that were accrued under that employment may not be transferred to the remaining employments.

b. The person accrues state service credit for all purposes as if the person had only one employment.

c. The total state contribution toward the person's group insurance is limited to the amount specified in the General Appropriations Act for a full-time active employee.

d. Overtime compensation accrues for each employment independently of every other employment except as provided as follows. If the person is subject to the overtime provisions of the federal Fair Labor Standards Act of 1938 in an employment, the employing agencies and institutions of higher education shall ensure that the person is compensated for all combined time actually worked that exceeds 40 hours per week in accordance with the overtime provisions of the federal law. The agencies and institutions shall cooperate to determine which agency or institution is responsible for ensuring that the employee is properly compensated according to those provisions.

e. An employing agency or institution may not use multiple employments of an employee within the same agency or institution for the purpose of (1) paying the employee for working more than 40 hours in a week instead of earning compensatory time in accordance with state law; or (2) paying the employee a greater salary than is allowed for either of the employee’s positions.

f. The person must inform the person's employing state agencies or institutions of higher education before accepting an additional employment with another agency or institution.

2. **Special Provisions for Legislative Agencies**

If a person's multiple employment involves only legislative agencies and all employments are less than full-time, the person may use paid leave from leave balances in all employments, and on separating from one employment, leave balances accrued under that employment will be transferred to the remaining employments.

3. **Special Provisions for Institutions of Higher Education**

A university system may establish a policy that defines a person's employment as the total hours the person is assigned to one component of the system, or to all components of the system. The policy may apply to a person only if the person is employed by more than one institution of higher education and all the employing institutions are within the same university system.

**Texas State University policy requires that an employee:**

1. Apply for and receive University approval *prior* to accepting any other state employment in a multiple employment status; and

2. Apply for and receive University approval *prior* to accepting Texas State University employment if already employed at another state agency/institution which would place the person in a multiple employment status.
Political Activities by Certain Public Entities and Individuals

§ 556.004. Prohibited Acts of Agencies and Individuals

(a) A state agency may not use any money under its control, including appropriated money, to finance or otherwise support the candidacy of a person for an office in the legislative, executive, or judicial branch of state government or of the government of the United States. This prohibition extends to the direct or indirect employment of a person to perform an action described by this subsection.

(b) A state officer or employee may not use a state-owned or state-leased motor vehicle for a purpose described by Subsection (a).

(c) A state officer or employee may not use official authority or influence or permit the use of a program administered by the state agency of which the person is an officer or employee to interfere with or affect the result of an election or nomination of a candidate or to achieve any other political purpose.

(d) A state employee may not coerce, attempt to coerce, command, restrict, attempt to restrict, or prevent the payment, loan, or contribution of any thing of value to a person or political organization for a political purpose.

(e) For purposes of Subsection (c), a state officer or employee does not interfere with or affect the results of an election or nomination if the individual's conduct is permitted by a law relating to the individual's office or employment and is not otherwise unlawful.

§ 556.005. Employment of Lobbyist

(a) A state agency may not use appropriated money to employ, as a regular full-time or part-time or contract employee, a person who is required by Chapter 305 to register as a lobbyist. Except for an institution of higher education as defined by Section 61.003, Education Code, a state agency may not use any money under its control to employ or contract with an individual who is required by Chapter 305 to register as a lobbyist.

(b) A state agency may not use appropriated money to pay, on behalf of the agency or an officer or employee of the agency, membership dues to an organization that pays part or all of the salary of a person who is required by Chapter 305 to register as a lobbyist. This subsection does not apply to the payment by a state agency of membership fees under Chapter 81.

(c) A state agency that violates Subsection (a) is subject to a reduction of amounts appropriated for administration by the General Appropriations Act for the biennium following the biennium in which the violation occurs in an amount not to exceed $100,000 for each violation.

(d) A state agency administering a statewide retirement plan may enter into a contract to receive assistance or advice regarding the qualified tax status of the plan or on other federal matters affecting the administration of the state agency or its programs if the contractor is not required by Chapter 305 to register as a lobbyist.

§ 556.006. Legislative Lobbying

(a) A state agency may not use appropriated money to attempt to influence the passage or defeat of a legislative measure.

(b) This section does not prohibit a state officer or employee from using state resources to provide public information or to provide information responsive to a request.

§ 556.007. Termination of Employment

A state employee who causes an employee to be discharged, demoted, or otherwise discriminated against for providing information under Section 556.006(b) or who violates Section 556.004(c) or (d) is subject to immediate termination of employment.

§ 556.008. Compensation Prohibition

A state agency may not use appropriated money to compensate a state officer or employee who violates Section 556.004(a), (b), or (c) or Section 556.005 or 556.006(a), or who is subject to termination under Section 556.007.
The Employees Retirement System of Texas ("ERS") administers the Texas Employees Group Benefits Program, including your health plan, pursuant to Texas law. THIS NOTICE DESCRIBES HOW ERS MAY USE OR DISCLOSE MEDICAL INFORMATION ABOUT YOU AND HOW YOU CAN GET ACCESS TO YOUR OWN INFORMATION PURSUANT TO THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 ("HIPAA") PRIVACY RULE. PLEASE REVIEW THIS NOTICE CAREFULLY.

Uses and disclosures of health information:
ERS and/or a third-party administrator under contract with ERS may use health information about you on behalf of your health plan to authorize treatment, to pay for treatment, and for other allowable health care purposes. Health care providers submit claims for payment for treatment that may be covered by the group health plan. Part of payment includes ascertaining the medical necessity of the treatment and the details of the treatment or service to determine if the group health plan is obligated to pay. Information may be shared by paper mail, electronic mail, fax, or other methods.

By law, ERS may use or disclose identifiable health information about you without your authorization for several reasons, including, subject to certain requirements, for public health purposes, for auditing purposes, for research studies, and for emergencies. ERS provides information when otherwise required by law, such as for law enforcement in specific circumstances. In any other situation, ERS will ask for your written authorization before using or disclosing any identifiable health information about you. If you choose to sign an authorization to disclose information, you can later revoke that authorization to stop any future uses and disclosures. ERS cannot use or disclose your genetic information for underwriting purposes. ERS may change its policies at any time. When ERS makes a significant change in its policies, ERS will change its notice and post the new notice on the ERS website at www.ers.state.tx.us. Our full notice is available at http://www.ers.state.tx.us/about/legislation/documents/hipaa_longform.pdf.

For more information about our privacy practices, contact the ERS Privacy Officer. ERS originally adopted its Notice of Privacy Practices and HIPAA Privacy Policies and Procedures Document April 14, 2003, and subsequently revised them effective February 17, 2010, and September 23, 2013.

Individual rights:
In most cases, you have the right to look at or get a paper or electronic copy of health information about you that ERS uses to make decisions about you. If you request copies, we will charge you the normal copy fees that reflect the actual costs of producing the copies including such items as labor and materials. For all authorized or by law requests made by others, the requestor will be charged for production of medical records per ERS' schedule of charges. You also have the right to receive a list of instances when we have disclosed health information about you for reasons other than treatment, payment, healthcare operations, related administrative purposes, and when you explicitly authorized it. If you believe that information in your record is incorrect or if important information is missing, you have the right to request that ERS correct the existing information or add the missing information. You have the right to request that ERS restrict the use and disclosure of your health information above what is required by law. If ERS accepts your request for restricted use and disclosure then ERS must abide by the request and may only reverse its position after you have been appropriately notified. You have the right to request an alternative means of communications with ERS. You are not required to explain why you want the alternative means of communication.

Complaints:
If you are concerned that ERS has violated your privacy rights, or you disagree with a decision ERS has made about access to your records, you may contact the ERS Privacy Officer. You also may send a written complaint to the U.S. Department of Health and Human Services. The ERS Privacy Officer can provide you with the appropriate address upon request.

Our Legal duty:
ERS is required by law to protect the privacy of your information, provide this notice about our information practices, follow the information practices that are described in this Notice, and obtain your acknowledgement of receipt of this Notice.

Detailed Notice of Privacy Practices:
For further details about your rights and the federal Privacy Rule, refer to the detailed statement of this Notice. You can ask for a written copy of the detailed Notice by contacting the Office of the Privacy Officer or by visiting ERS’ web site at www.ers.state.tx.us. If you have any questions or complaints, please contact the ERS Privacy Officer by calling (512) 867-7711 or toll-free (877) 275-4377 or by writing to ERS Privacy Officer, The Employees Retirement System of Texas, P.O. Box 13207, Austin, TX 78711-3207.
CONTINUATION COVERAGE NOTIFICATION (COBRA)

This notice has important information about your right to continue your health coverage in the Texas Employees Group Benefits Program (GBP), as well as other health coverage options that may be available to you, including coverage through the Health Insurance Marketplace at www.HealthCare.gov or 1-800-318-2596. You may be able to get coverage through the Health Insurance Marketplace that costs less than COBRA continuation coverage.

On April 7, 1986, a federal law was enacted (Public Law 99-272, commonly called “COBRA”). This law requires the State of Texas to offer employees and dependents covered under the GBP the opportunity to temporarily extend their health and/or dental coverage at the group rates. Continuation coverage is available only when certain qualifying events cause coverage under the GBP to end. Coverage under COBRA is limited to the health and/or dental coverage in effect at the time of the qualifying event.

Note: If eligible for optional coverage as a retiree, this document is only applicable to health.

WHO MAY CONTINUE COVERAGE
If you are an employee covered under the GBP, you and/or your covered dependents have the right to elect up to 18 months of continuation coverage if your GBP coverage ended due to:

- Termination of employment for reasons other than gross misconduct (including retirement with less than 10 years of service credit with the Employees Retirement System of Texas (ERS), Teacher Retirement System (TRS) of Texas or an Optional Retirement Program (ORP))
- Loss of GBP eligibility due to expiration of coverage following leave without pay
- Loss of GBP eligibility due to reduction of hours

If you are a dependent covered by an employee under the GBP, you have the right to elect up to 36 months of continuation coverage if your GBP coverage ended due to loss of dependent status, including such qualifying events as:

- Death of the employee
- Divorce of the employee and covered spouse
- A dependent child who attains age 26

If you are a former employee’s dependent continuing GBP coverage under COBRA as a result of the former employee’s termination of employment, expiration of coverage following leave without pay, or loss of GBP eligibility due to reduction of hours, you have the right to extend your coverage for a total continuation period of up to 36 months if a secondary qualifying event occurs and you lose dependent status under the rules of the GBP provided you were covered as a dependent at the time of the initial qualifying event. A COBRA participant’s newborn child or newly adopted child acquired on or after the initial qualifying event who is added to the existing COBRA coverage will also have a right to extend their coverage. Secondary qualifying events which occur during the initial 18 months of continuation coverage that entitles covered dependents to the additional continuation period are:

- Death of the former employee
- Divorce of the former employee and covered spouse
- A dependent child who attains age 26
- The former employee begins receiving Medicare benefits.
ELECTION PERIOD

For employees and dependents eligible for continuation coverage
ERS will provide you with a COBRA Election Form and COBRA Notification following the termination of your coverage. You and/or your dependents must formally elect continuation coverage on the form provided and submit the appropriate premium payment within 105 days of the date coverage terminated or the date of notice, whichever is later. Failure to do so will result in the forfeiture of your continuation coverage. Each covered participant has the right to elect continuation coverage independently. You and your dependents will not have coverage after the date coverage terminated until you formally elect continuation coverage and pay all premiums due retroactive to the first day of the month following the date coverage terminated.

For dependents whose coverage terminates due to loss of dependent status
The member or the covered dependent has the responsibility to notify one of the following of a divorce or when a covered dependent loses dependent status. Notification must occur within 60 days of the qualifying event date.

- Active employee - your agency or institution Benefits Coordinator
- Retiree or current COBRA participant - the Employees Retirement System of Texas (ERS)

Upon notification, ERS will provide a form for the dependent to complete and forward to ERS with the appropriate premium within 105 days of the date of notice on the form or the date coverage terminated, whichever is later. If the Benefits Coordinator or ERS is not notified within 60 days, continuation coverage will be forfeited.

Adding newly acquired dependents during the election period
Newly acquired dependents may be added to the COBRA continuation coverage provided ERS is notified in writing within 30 days of the date the individual first became an eligible dependent. This rule also applies during the 105-day election period. Example: An employee terminated employment on July 20 and acquired an eligible dependent on August 5. To add the new dependent to the COBRA continuation coverage, the request must be postmarked on or before September 4 even though the 30-day notification deadline occurs before the end of the 105-day election period.

COST OF COVERAGE
Persons electing COBRA continuation coverage must pay the full premium plus an additional 2% administrative fee. The first premium payment is due within 105 days from the date of the COBRA qualifying event or the date of notice, whichever is later. If you will receive an annuity from ERS, your monthly premium will be automatically deducted from your monthly annuity payment. To ensure that no break in coverage occurs, the first premium payment must include all premiums due retroactive to the first day of the month following the date coverage terminated. Subsequent monthly payments are due on the first of each coverage month and must be postmarked by the U. S. Postal Service within 30 days of the due date. If your payment is late, your coverage will be automatically cancelled retroactive to the last day of the month in which a full payment was received and was not considered late.

LENGTH OF CONTINUATION COVERAGE
Your COBRA continuation coverage may be cancelled for any of the following reasons:

- The required premium for your COBRA continuation coverage is not received within the required time period, regardless of the circumstances.
- You enroll in another group health plan on or after the COBRA effective date. If you enroll in another group health plan, your COBRA coverage will end when the new group health plan covers you.
- You begin receiving Medicare benefits on or after the COBRA effective date.
- The GBP ceases to provide coverage to any employee/retiree.
- You extend coverage due to a disability and the Social Security Administration (SSA) makes a final determination that the disability no longer exists.
- You submit a written request to cancel coverage. Cancellations will be made effective the last day of the month in which the U. S. Postal Service postmarks your request. Therefore, you must make the full premium payment for the month in which you are mailing the cancellation request.
IMPORTANT: Once a member requests to cancel, COBRA coverage cannot be reinstated.

**Special provision for covered individuals who are determined to be disabled by the SSA**

An 18-month COBRA continuation coverage period may be extended to a possible maximum of 29 months if a qualified beneficiary is determined to be disabled under Title II or XVI of the Social Security Act at any time prior to or during the first 60 days of COBRA continuation coverage. The disabled individual may be any qualified beneficiary whose coverage was continued under COBRA due to termination of employment, expiration of coverage following leave without pay, or due to reduction of hours. To be eligible for the extension, ERS must be notified by submitting a copy of the SSA Notice of Award letter during the initial 18 months of COBRA continuation coverage. Coverage will be extended for an additional 11 months or until Medicare entitlement begins, whichever occurs first. The premium for the additional months of coverage will be equal to 150% of the current cost of coverage in the GBP. A covered individual who may be eligible for the coverage extension period due to a disability must contact the local SSA office to begin the determination process.

**Information for Participants Continuing Their Coverage**

We have prepared some of the most commonly asked questions regarding COBRA continuation coverage. These are general questions only. For more specific information, please contact the Customer Benefits Division of the Employees Retirement System (ERS) toll-free at (877) 275-4377. Our mailing address is P. O. Box 13207, Austin, Texas 78711-3207.

**What is COBRA?**

COBRA is an acronym for “Consolidated Omnibus Budget Reconciliation Act of 1985.” COBRA requires employers to offer continuation of group health and/or dental benefits for a specified time to individuals who would otherwise lose coverage due to certain qualifying events.

**What is a Qualified Beneficiary?**

An individual who is entitled to COBRA continuation coverage due to being covered under a group health and/or dental plan on the day the qualifying event causes loss of coverage (e.g., termination of employment, divorce from the covered employee, etc.). This also includes a COBRA participant’s newborn child or newly adopted child who is added to the coverage on or after the initial qualifying event.

**Are there other coverage options besides COBRA coverage?**

Yes. Instead of enrolling in COBRA continuation coverage, there may be other more affordable coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage (such as a spouse’s plan) through what is called a “special enrollment period”. Some of these options may cost less than COBRA continuation coverage. You should compare your other coverage options with COBRA continuation coverage and choose the coverage that is best for you. For example, if you move to other coverage you may pay more out of pocket than you would under COBRA because the new coverage may impose a new deductible.

When you lose job-based health coverage, it is important that you choose carefully between COBRA continuation coverage and other coverage options, because once you’ve made your choice, it can be difficult or impossible to switch to another coverage option.

**What is the Health Insurance Marketplace?**

The Marketplace offers “one-stop shopping” to find and compare private health insurance options. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums and cost-sharing reductions (amounts that lower your out-of-pocket costs for deductibles, coinsurance and copayments) right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Through the Marketplace, you’ll also learn if you qualify for free or low-cost coverage from Medicaid or the Children’s Health Insurance Program (CHIP). You can access the Marketplace for your state at [www.HealthCare.gov](http://www.HealthCare.gov).

Coverage through the Health Insurance Marketplace may cost less than COBRA continuation coverage. Being offered COBRA continuation coverage won’t limit your eligibility for coverage or for a tax credit through the Marketplace.
When can I enroll in Marketplace coverage?
You always have 60 days from the time you lose your job-based coverage to enroll in the Marketplace. Losing your job-based coverage is a “special enrollment” event. After 60 days, your special enrollment period will end and you may not be able to enroll, so you should take action right away. In addition, during what is called “open enrollment” period, anyone can enroll in Marketplace coverage.

To find out more about enrolling in the Marketplace, such as when the next open enrollment period will be and what you need to know about qualifying events and special enrollment periods, visit www.HealthCare.gov.

Can I switch back and forth between COBRA continuation coverage and the Marketplace?
If you sign up for COBRA continuation coverage, you can switch to a Marketplace plan during a Marketplace open enrollment period. You can also end your COBRA continuation coverage early and switch to Marketplace plan if you have another qualifying event like a marriage or birth of a child through something called a special enrollment period. If you terminate your COBRA continuation coverage early without a qualifying event, you’ll have to wait to enroll in Marketplace coverage during the next open enrollment period, and could end up without any health coverage in the interim.

Once you’ve exhausted your COBRA continuation coverage and the coverage expires, you’ll be eligible to enroll in Marketplace coverage through a special enrollment period, even if Marketplace open enrollment has ended.

If you sign up for Marketplace coverage instead of COBRA continuation coverage, you cannot switch to COBRA continuation coverage under any circumstances.

How long can a Qualified Beneficiary keep COBRA coverage?
If a qualifying event is due to termination of employment, loss of coverage following leave without pay or reduction in hours, a qualified beneficiary is entitled to a maximum of 18 months of continuation coverage. All other qualifying events entitle a qualified beneficiary up to 36 months of coverage. An 18-month continuation period may be extended to 36 months if a secondary qualifying event occurs during the initial 18-month continuation coverage period (e.g., divorce, death or loss of dependent status). A qualified beneficiary is never entitled to more than 36 months of continuation coverage.

How long can a disabled individual remain on COBRA?
A qualified beneficiary who is determined to be disabled by the SSA under Title II or XVI before or at any time during the first 60 days of COBRA coverage may be eligible to extend coverage from 18 to a possible maximum of 29 months. ERS must receive a copy of the SSA Notice of Award letter prior to the end of the original 18-month continuation coverage period.

How much are the premiums?
Premiums for 18-month and 36-month qualifying events are calculated at 102% of the current group rate. The premium for disability participants who extend their coverage beyond the initial 18 months of coverage will be calculated at 150% of the current group rate. Premiums are recalculated every year; if the rates change, the new plan year premium amount will be effective beginning September 1. You will be sent a new payment notice for the new plan year, before September 1. Premium amounts for other levels of coverage may be obtained by contacting ERS or visiting ERS website at www.ers.state.tx.us.

When are the premiums due?
The initial COBRA premium payment will be due within 105 days of the date coverage terminated or the date of notice whichever is later. If you will receive an annuity from ERS, your monthly premium will be automatically deducted from your monthly annuity payment. Subsequent premiums are due on the first day of the coverage month. Your monthly premium payment must be postmarked within thirty (30) days of the due date or coverage will be automatically cancelled retroactive to the last day of the month in which a full premium payment was received and was not considered delinquent. For example, your June premium payment is due on June 1, and will be considered late if it is postmarked after June 30. If the June premium payment is late, coverage would be terminated May 31.

Will ERS notify me if a premium payment is not received?
It is the participant’s responsibility to determine if a premium payment is due. If your coverage is cancelled, you will be notified at that time.
For what reasons can COBRA continuation coverage be cancelled by ERS?

COBRA continuation coverage may be cancelled prior to the end of the continuation coverage expiration date if:

- A timely premium payment is not received.
- The GBP ceases to provide coverage to any employee/retiree.
- The participant becomes covered under another group health and/or dental plan on or after the COBRA effective date. 
  COBRA continuation coverage will end when the new group health plan coverage begins.
- The participant begins receiving Medicare benefits on or after the COBRA effective date.
- The participant extends coverage due to a disability and later begins receiving Medicare benefits or the SSA makes a final determination that the disability no longer exists.
- A written request is received from the participant requesting cancellation of coverage. Coverage cancellations will be made effective the last day of the month in which the U. S. Postal Service postmarks the request. A full premium payment must be submitted for the month in which a request for cancellation is submitted.

IMPORTANT: Once a member requests to cancel, COBRA coverage cannot be reinstated.

What if I become covered under another group health plan or begin receiving Medicare benefits?

You are responsible for notifying the ERS in writing when you enroll in another group health and/or dental plan or begin receiving Medicare benefits. The right to continue COBRA coverage terminates when an individual becomes covered on or after the COBRA effective date by another group health plan OR if you begin receiving Medicare benefits. Your COBRA continuation coverage will be cancelled retroactive to the last day of the month prior to the month in which you first became covered under the other group health and/or dental plan or began receiving Medicare benefits.

What if I return to employment with a GBP participating agency or higher education institution?

If you return to employment with a GBP participating agency or higher education institution while your COBRA continuation coverage is in effect, your COBRA continuation coverage will extend through the end of your rehire month. The full COBRA premium for the month during which you became covered as an active employee, or as a dependent of an active employee, will be due. This will not result in a break in coverage. However, if the full premium is not received, COBRA continuation coverage will be retroactively cancelled and you will be subject to the 60-day waiting period.

May I change my health and/or dental carrier or make changes to my COBRA continuation coverage?

COBRA continuation coverage will continue with your current health and/or dental carrier. If you are enrolled in a Health Maintenance Organization (HMO) and move out of the service area where there is no other HMO available, you will be automatically enrolled in HealthSelect. You may decrease your level of coverage by submitting a written request to ERS. The decrease in coverage will be effective the first day of the month following the postmarked date of your request. Newly acquired dependents may be added if you notify ERS in writing within thirty (30) days of the qualifying life event. (For example, if you were married on July 1, to add your new spouse, your request must be postmarked on or before July 31). Other eligible dependents may be added and eligible changes may be made during the Annual Enrollment Period.

Can COBRA continuation coverage be converted to an individual policy?

COBRA continuation coverage may be converted to an individual policy if you apply for conversion within thirty (30) days after the date your COBRA continuation coverage expires or is cancelled, provided your premium payments are current. We will notify you forty-five (45) days before the expiration date. Please contact your health and/or dental carrier for specific information about conversion.

Questions about COBRA continuation coverage should be directed to the Customer Benefits Division of the Employees Retirement System toll free at, 877-275-4377.
01. POLICY STATEMENT

01.01 This UPPS contains Texas State University’s policy establishing a drug-free workplace. This policy is intended to comply with:

b. Section 2.4(10) of Chapter V of the Rules and Regulations of The Texas State University System Board of Regents; and

c. the Rules of the Texas Workers’ Compensation Commission, found in 28 TAC Chapter 169.

02. GENERAL PROVISIONS

02.01 Use of illegal drugs by university employees results in less productivity, less reliability, and greater absenteeism, increasing potential costs, delays, and risks to the university.

02.02 Illegal drug use by university employees impairs their ability to perform critical tasks, and results in accidents and failures that pose a serious threat to health, safety, and the university’s educational mission.

02.03 Illegal drug use by university employees results in unreliability, instability, and poor judgment. It also creates the possibility of coercion, influence, and irresponsible action under pressure that poses a risk to health, safety, and the university’s educational mission.

03. DEFINITIONS

03.01 In this UPPS, the term "employee" includes members of the faculty and staff as defined in Section 1.1 of Chapter V of the Board of Regents’ rules. It also includes students employed by the university in any capacity.

03.02 The term "controlled substance" means a controlled substance in schedules I through V of Section 202 of the Controlled Substances Act (21 USC § 812) or the Texas Controlled Substances Act (Health and Safety Code, Chapter 481).

03.03 The term "conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.

04. PROCEDURES

04.01 The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in all university workplaces. A university employee who violates
this prohibition, either in the workplace or elsewhere, is subject to the following sanctions:

a. oral or written warning or reprimand;
b. suspension with or without pay;
c. reduction in pay;
d. demotion; or
e. discharge or termination of employment.

04.02 The associate vice president and dean of Students will establish a drug-free awareness information program that will inform university employees about:

a. the dangers of drug abuse in the workplace;
b. the university's policy of maintaining a drug-free workplace;
c. any available drug counseling, drug rehabilitation, and employee assistance programs; and
d. the possible penalties for employees resulting from drug abuse violations.

04.03 The Office of Sponsored Programs will ensure that each employee engaged in the performance of a grant from any federal agency or a federal contract for the procurement of property or services valued at $25,000 or more from a federal agency has access to this policy.

a. As a condition of employment in such grant or contract, each university employee will:

   1) abide by the terms of this UPPS; and
   2) notify the university's director of Sponsored Programs of any criminal drug statute conviction for a violation occurring in the workplace no later than five calendar days after such conviction.

b. When the university's director of Sponsored Programs receives actual notice of an employee's conviction, as described above, the director shall notify the granting or contracting agency within ten calendar days after receiving the notice.

04.04 The university will make a good faith effort to continue to maintain a drug-free workplace through implementation of this policy.

04.05 The employee's supervisor shall, within thirty calendar days after receiving notice of a conviction, either:

a. take appropriate personnel action against the employee up to and including termination; or
b. require the employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for that purpose by a federal, state, local health, law enforcement, or other appropriate agency; or

c. take action under both a. and b., above.

04.06 Before a supervisor suspends, demotes, or reduces the pay of an employee, Human Resources and the next higher-level supervisor must approve the action. Only the president, vice presidents, assistant and associate vice presidents, and deans and directors reporting directly to a vice president have the authority to discharge employees.

05. PROCEDURES FOR DISTRIBUTION OF POLICY

05.01 The assistant vice president for Human Resources will summarize this policy in the Staff Handbook.

05.02 The Faculty Handbook, Schedule of Classes, and appropriate student publications will contain a summary of this policy.

06. REVIEWERS OF THIS UPPS

06.01 Reviewers of this UPPS include the following:

07. CERTIFICATION STATEMENT

This UPPS has been approved by the following individuals in their official capacities and represents Texas State policy and procedure from the date of this document until superseded.

Assistant Vice President for Human Resources; senior reviewer of this UPPS

Vice President, Finance and Support Services

President
HIV/AIDS and the Workplace

You may be wondering what HIV and AIDS could have to do with your job and workplace. Well, it depends on the type of work you do. Some people, like health care workers, have to deal with HIV and AIDS every day. Most of us, though, don’t need to give much thought to HIV or AIDS when it comes to our jobs. And that makes a lot of sense, because HIV is not spread through the type of casual day-to-day contact that most of us have with other people in our jobs. On the other hand, it does make sense to be familiar with HIV and AIDS for our own personal health, as well as with the situations that might come up at work that do involve HIV and AIDS.

What you should know about HIV, AIDS and the workplace:

• HIV is the virus that causes AIDS, a disease that destroys a person’s immune system.
• There are only a few ways that a person can be infected with HIV - most of which don’t involve work related situations.
• It is easy to protect yourself from being infected with HIV, both in your personal life and in workplace settings.

Some general information about HIV/AIDS:

Acquired Immune Deficiency Syndrome (AIDS) is the final stage of an infection caused by the Human Immunodeficiency Virus (HIV). HIV attacks the body’s immune system, hurting the body’s ability to fight off diseases and other infections.

There is no cure for HIV infection or AIDS. There are also no clear symptoms of HIV infection, although some people may have flu-like symptoms for a few days after they are infected with HIV. But, even if an infected person has no symptoms, feels, and looks healthy, he or she can still pass the virus to others.

HIV is spread from person to person in the following body fluids:

• blood
• semen
• vaginal secretions
• breast milk

HIV is NOT spread through the environment; it is a very fragile blood-borne virus. HIV-infected persons do not pose a threat to co-workers or clients during casual, day-to-day activities and contacts.

You CANNOT be infected with HIV through:

• handshakes
• hugs or casual touching
• close working conditions
• telephones, office equipment, or furniture
• sinks, toilets, or showers
• dishes, utensils, or food
• sneezing or coughing
• air
• water
• insects

There are only a few ways for a person to come in contact with HIV:

• by having sex, either anal, oral, or vaginal, without the use of a condom;
• by sharing needles, syringes, and other instruments that break the skin, such as tattoo and/or ear/body piercing needles;
• from an HIV-infected mother to her baby during pregnancy, birth, or breastfeeding; and
• by coming in contact with HIV-infected blood either through an open wound or through a blood transfusion. Risks from transfusions, however, are now very low because of blood-screening, which started in 1985.

-OVER-
HIV/AIDS and the Workplace

How HIV/AIDS affects you in your workplace:

As you can see from the information on the last page, most of the behaviors that pass HIV from one person to another do not occur in the workplace. The only way that most people in the average workplace could be exposed to HIV would be if they had an open wound and someone else's infected blood entered their body through that broken skin.

How to avoid HIV infection in the workplace:

It is easy to avoid being exposed to HIV and other blood-borne diseases by using good personal hygiene and common sense at all times:

• keep broken skin covered with a clean, dry bandage;
• avoid direct contact with blood spills;
• wear gloves to clean spills that contain visible blood; and
• clean blood spills with an appropriate disinfectant or 1:10 solution of freshly mixed household bleach and water. After cleanup, wash hands thoroughly with soap and running water.

Ways to reduce your risk for HIV infection in your personal life:

• Do not have sex (abstain)
• Delay having sex until you are in a faithful relationship with one person who you know does not have HIV.
• If you choose not to abstain from sex or to limit sex to one faithful, uninfected partner, then always use a latex condom every time you have sex (oral, anal, or vaginal). If used correctly and every time you have sex, latex condoms can provide protection against HIV and other sexually transmitted diseases (STDs).
• If you have a drug habit, do not share needles or syringes. If you can’t stop sharing needles/syringes, clean them with bleach and then rinse them with water between every use. Also, do not share any other type of needles, such as tattoo and ear/body piercing needles.
• The best thing for your health is to stop using drugs. If you need help to stop using, call the National Drug Abuse Hotline at 1-800-662-4357.

If you work with someone who has HIV and/or AIDS:

If you have a cold, flu or other virus, remember that people with HIV or AIDS do not have a healthy immune system. They are more likely to become ill from a virus that a healthy person’s body could easily fight. Remember, too, that people with HIV or AIDS are just like anyone else living with a disease: they need caring, support, and understanding.
## Notice of Network Requirements

**Important Medical Care Information for Work-Related Injuries and Illnesses:**

1. Effective September 1, 2014, your employer is partnering with IMO Med-Select Network® a certified Texas workers’ compensation health care network. You are covered by the Network if you live in any of the counties listed below.

2. For any questions you may contact IMO by:
   - Calling IMO Med-Select Network® at 888.466.6381
   - Writing to P.O. Box 118577, Carrollton, TX 75011
   - E-mailing questions to netcare@injurymanagement.com

3. Each certified workers’ compensation network must have one or more service areas where doctors and other health care workers are available to treat you if you are hurt on the job. The IMO Med-Select Network® service areas include the following counties:

<table>
<thead>
<tr>
<th>Atascosa</th>
<th>Austin</th>
<th>Bandera</th>
<th>Bastrop</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bell</td>
<td>Bexar</td>
<td>Blanco</td>

---

1 | Revised 8.6.14
IMO Med-Select Network®
4. A map of the service area with the above counties can also be viewed on the IMO website at [www.injurymanagement.com](http://www.injurymanagement.com) or on page 9 of this packet.

5. Except for emergencies, if you are hurt at work and live in the network service area, you must choose a treating doctor from the list of network doctors. All services and referrals are to be received from your treating doctor.

6. You have the right to select your HMO primary care physician (PCP) as your treating doctor if your HMO PCP was selected prior to your injury at work. The network prefers that you make this decision as soon as possible. Your HMO PCP must agree to abide by the workers’ compensation health care network’s contract and rules.

7. Except for emergencies, the network must arrange for services, including referrals to specialists, to be accessible to you on a timely basis and within the time appropriate to the circumstances and your condition, but no later than 21 days after the date of the request.

8. If you need emergency care, you may go anywhere. If you become injured after business hours and it is not an emergency, go to the closest health care facility.

9. If you cannot contact your treating doctor after business hours, and you are in need of urgent care, go to the closest urgent care facility.

10. If you do not live in a network service area, you are not required to receive care from network providers.

11. If you are hurt at work and you do not believe you live within the network service area, call the State Office of Risk Management (SORM) at 877.445.0006. SORM must review the information within seven calendar days and notify you of their decision in writing.

12. SORM may agree that you do not live in the network service area. If you receive care from an out-of-network provider, and it is later determined that you live in the network service area, you may be required to pay the bill for health care services.

13. If you disagree with SORM’s decision in regards to the network service area, you may file a complaint with the Texas Department of Insurance. Complaint form information is addressed in #27.

14. Even if you believe you do not live in the network service area, you still may receive health care from network doctors and other network health care staff while your complaint is reviewed by SORM and the Texas Department of Insurance.

15. SORM will pay for services provided by the network treating doctor and other network health care providers. Except for emergency care, you may be required to pay the bill if you get care from someone other than a network doctor without approval.
16. All network doctors and other providers will bill SORM for medical services related to your compensable work injury. The employee should not be billed by the network provider. Unless there is an emergency need, the network must approve any of the following health care services before they are provided to you:

   a. Admission to a hospital
   b. Physical therapy/occupational therapy, beyond allowable sessions
   c. Chiropractic care, beyond allowable sessions
   d. Any type of surgery
   e. Some initial and repeat diagnostic testing
   f. Certain injections
   g. All work hardening or work conditioning programs
   h. Equipment that costs more than $1,000
   i. Any investigational or experimental services or devices
   j. Any treatment, service, medication, diagnostic test, or durable medical equipment that falls outside of, or not recommended by, any one of the following Evidence Based Guidelines: i) Official Disability Guidelines; ii) American College of Occupational and Environmental Medicine; iii) Medical Disability Advisor
   k. Mental health care
   l. All chronic pain programs

17. “Adverse Determination” means a determination, made through utilization review or retrospective review, that the health care services furnished or proposed to be furnished to an employee are not medically necessary or appropriate.

18. If the proposed health care services are for concurrent hospitalization, the person performing utilization review must, within 24 hours of receipt of the request, transmit a determination indicating whether the proposed services are pre-authorized. For all other requests for preauthorization, the person performing utilization review must issue and transmit the determination no later than three business days after the date the request is received.

19. If the network issues an adverse determination of the request for health care services, you, a person acting on your behalf, or your doctor may file a request for reconsideration by writing a letter or calling the network. Even though you can request a reconsideration of the denial yourself, the network encourages you to talk to your doctor about filing the reconsideration. He or she may have to send medical information to the network. This reconsideration must be submitted within 30 days of the date that your doctor receives the adverse determination in writing.

20. The network will respond to the reconsideration request within five business days of receipt demonstrating that the network has received the information. The network has up to 30 business days for the final determination. If it is a reconsideration request for concurrent review, the network will respond within three business days. The network will respond within one business day if it is a reconsideration request which involves a denial of proposed health care services involving post-stabilization treatment, life-threatening conditions or for continued length of stay in a facility.
21. Independent Review Organization (IRO) exemption: An employee with a life-threatening condition is entitled to an immediate review by an IRO and is not required to comply with the procedures for a reconsideration of an adverse determination.

22. If the network renders an adverse determination on a reconsideration of the following: i) a preauthorization review, ii) a concurrent review or iii) a retrospective review, the notification will include information on how to request an IRO. Requests for an IRO must be sent no later than 45 days from the date of the denial of the reconsideration.

23. If the situation is life threatening, you do not have to go through the network reconsideration process. You, the person acting on your behalf, or the requesting provider may request a review by an IRO. IRO requests shall be made to the Texas Department of Insurance on behalf of the patient by the Utilization Review Agent (URA).

24. An IRO review may be requested for several other reasons besides a life-threatening situation. The reasons may include: i) if the network denies the health care a second time by denying your reconsideration; ii) if the network denies the referral made by your treating doctor because it is not medically necessary; or iii) if the network denies your care because it is not within treatment guidelines.

25. After the review by the IRO, they will send a letter explaining their decisions. SORM will pay the IRO fees.

26. Your treating doctor may decide to leave the network. If so, and if it may harm you to immediately stop the doctor’s care, SORM must pay your treating doctor for up to 90 days of continued care.

27. If you are dissatisfied with any part of the network, you can file a complaint. Any complaint must be filed within 90 days of the event with which you are dissatisfied. When a complaint is received, you will be sent a notification letter within seven days, which will describe the complaint procedures. The network will review and resolve the complaint within 30 days of receipt. You can contact the network by:

   a. Calling: 877.870.0638
   b. Writing: IMO Med-Select Network®
      Attention: NetComplaint Dept.
      P.O. Box 118577
      Carrollton, TX 75011
   c. E-mailing: netcomplaint@injurymanagement.com

28. The network will not retaliate if:
   a. An employee or employer files a complaint against the network, or appeals a decision of the network, or
   b. A provider, on behalf of the employee, files a complaint against the network or appeals a decision of the network.
29. If you file a complaint with the network and are dissatisfied with the network resolution, you may file an appeal with the Texas Department of Insurance (TDI). You can receive a complaint form from:

   a. The TDI website at [www.tdi.texas.gov](http://www.tdi.texas.gov), or
   b. Write to TDI at the following address:

      Texas Department of Insurance  
      HMO Division, Mail Code 103-6A  
      P.O. Box 149104  
      Austin, TX 78714-9104

30. Within five business days, the network will send a letter confirming they received the appeal.

31. A list of network providers will be updated every three months, including:

   a. The names and addresses of network providers grouped by specialty. Treating doctors shall be identified and listed separately from specialists; and
   b. Providers who are authorized to assess maximum medical improvement and render impairment ratings shall be clearly identified.

32. You can view, print, or email a provider directory online at [www.injurymanagement.com](http://www.injurymanagement.com).
### PENALTIES UNDER TEXAS LAW

#### Misdemeanor:
- **Class C**

12.23. **CLASS C MISDEMEANOR.** An individual adjudged guilty of a Class C misdemeanor shall be punished by a fine not to exceed $500.

#### Class B:

12.22. **CLASS B MISDEMEANOR.** An individual adjudged guilty of a Class B misdemeanor shall be punished by:

1. A fine not to exceed $2,000;
2. Confinement in jail for a term not to exceed 180 days; or
3. Both such fine and confinement.

#### Class A:

12.21. **CLASS A MISDEMEANOR.** An individual adjudged guilty of a Class A misdemeanor shall be punished by:

1. A fine not to exceed $4,000;
2. Confinement in jail for a term not to exceed one year; or
3. Both such fine and confinement.

### Felony:
#### State Jail Felony:

12.35. **STATE JAIL FELONY PUNISHMENT.** (a) Except as provided by Subsection (c), an individual adjudged guilty of a state jail felony shall be punished by confinement in a state jail for any term of not more than two years or less than 180 days.

(b) In addition to confinement, an individual adjudged guilty of a state jail felony may be punished by a fine not to exceed $10,000.

#### Third Degree:

12.34. **THIRD DEGREE FELONY PUNISHMENT.** (a) An individual adjudged guilty of a felony of the third degree shall be punished by imprisonment in the institutional division for any term of not more than 10 years or less than 2 years.

(b) In addition to imprisonment, an individual adjudged guilty of a felony of the third degree may be punished by a fine not to exceed $10,000.

#### Second Degree:

12.33. **SECOND DEGREE FELONY PUNISHMENT.** (a) An individual adjudged guilty of a felony of the second degree shall be punished by imprisonment in the institutional division for any term of not more than 20 years or less than 2 years.

(b) In addition to imprisonment, an individual adjudged guilty of a felony of the second degree may be punished by a fine not to exceed $10,000.

#### First Degree:

12.32. **FIRST DEGREE FELONY PUNISHMENT.** (a) An individual adjudged guilty of a felony of the first degree shall be punished by imprisonment in the institutional division for life or for any term of not more than 99 years or less than 5 years.

(b) In addition to imprisonment, an individual adjudged guilty of a felony of the first degree may be punished by a fine not to exceed $10,000.

#### Capital:

12.31. **CAPITAL FELONY.** (a) An individual adjudged guilty of a capital felony in a case in which the state seeks the death penalty shall be punished by imprisonment in the institutional division for life or for any term of not more than 99 years or less than 5 years.

(b) In a capital felony trial in which the state seeks the death penalty, prospective jurors shall be informed that a sentence of life imprisonment without parole or death is mandatory on conviction of a capital felony. In a capital felony trial in which the state does not seek the death penalty, prospective jurors shall be informed that the state is not seeking the death penalty and that a sentence of life imprisonment without parole is mandatory on conviction of the capital felony.

---

**Penal Code additions in the 2007/2008 academic year**

32.15 – It is an offense to possess the identifying information or three or more other people with the intent to defraud or harm. This is significant to students that become involved in distributing identification to allow underage drinking. In some cases this can be as serious as a first-degree felony.

49.07 – Intoxication assault and 49.08 – Intoxication manslaughter have both been enhanced one degree if the victim is a Peace Officer, Firefighter or Emergency Medical person and it happens in the discharge of their duties.

**Health and Safety Code additions in the 2007/2008 academic year**

481.112 – The manufacture of a substance in penalty group I is enhanced one degree if a person under 18 years of age is on the premises when the manufacturing occurs.

---

**Updated 10/9/07**
A student who, by a preponderance of the evidence, under these Rules and Regulations, is found to have illegally possessed, used, sold or distributed any drug, narcotic, or controlled substance, whether the infraction is found to have occurred on or off campus, shall be subject to discipline, ranging from mandatory, university or college approved counseling to expulsion. Mitigating or aggravating factors in assessing the proper level of discipline shall include, but not necessarily be limited to, the student’s motive for engaging in the behavior; disciplinary history; respect for the security of the University or college community; and the likelihood that the behavior will recur. A second infraction for a drug-related offense shall result in permanent expulsion from the component and from all other institutions in the Texas State University System. A student who has been suspended, dismissed, probated or expelled from any system component shall be ineligible to enroll at any other system component during the applicable period of discipline.

UNIVERSITY PENALTIES  Students – The University may impose a disciplinary penalty up to expulsion as is specified in the regents’ rules and the Code of Student Conduct, for conduct related to the use, possession, or distribution of drugs prohibited by state, federal or local law. All penalties that may be imposed for conduct related to the unlawful use, possession, or distribution of drugs or alcohol include suspension, disciplinary probation, payment for damage to or misappropriation of property, suspension of rights and privileges, expulsion, or such other penalty as may be deemed appropriate under the circumstances.

Employees – The unlawful use, possession, or distribution of drugs or alcohol may result in a disciplinary penalty of warning or reprimand, suspension, reduction in pay, demotion, or discharge, depending on the circumstances.

AVAILABLE DRUG AND ALCOHOL COUNSELING OR REHABILITATION SERVICES

Campus Services:

* **Alcohol and Drug Resource Center**: The Alcohol and Drug Resource Center provides a variety of services for students and employees experiencing problems related to the use or abuse of alcohol and other drugs. Services include counseling, assessment, and referral as well as educational programs and social opportunities. The Alcohol and Drug Resource Center is located in LBJ Student Center, Room 5-4.1. The telephone number is 512-245-3601.

* **The Assessment and Counseling Clinic**: The Assessment and Counseling Clinic provides a variety of counseling services for the campus and San Marcos community. Counseling services are provided by advanced graduate students with the professional counseling program, under the direct supervision of a faculty member from this program. The Clinic is located on the first floor of the Education building on campus. The telephone number is 512-245-8349.

* **Counseling Center**: The Counseling Center offers a variety of confidential services to help currently enrolled students deal with personal and academic concerns. They have a staff of psychologists and professional counselors available to provide counseling for a wide range of issues. The Counseling Center is located in the LBJ Student Center, Room 5-4.1. The telephone number is 512-245-2208.

* **Employee Helpline**: Texas State employees are encouraged to use the Employee Helpline, which provides assistance with personal, family or alcohol and drug problems. Call 512-245-2208 or 512-245-3601 between 8 a.m. and 5 p.m. and request a referral or an appointment.

Community Services:

* **Hays Caldwell County on Alcohol and Drug Abuse**: The Council is dedicated to promoting community and family enrichment through substance abuse prevention, intervention, and treatment and offers a wide variety of services to the San Marcos community. The Council is located at 1901 Dutton Drive #F. The telephone number is 512-396-7605.

* **Community-based support groups in San Marcos meet on a regular basis. These groups include Alcoholics Anonymous, Narcotics Anonymous, Al-Anon and Alateen. For specific meeting dates, times and locations, call any of the following groups.**

  * **Al-Anon**: a support group for relatives and friends of alcohol abusers
    * 512-392-2064 or 512-363-1979
  * **Alateen**: a support group for teens.
    * 512-392-2064
  * **Alcoholics Anonymous**: 512-392-3601 or 512-396-2060
  * **Cocaine Anonymous**: 512-396-7695
  * **Narcotics Anonymous**: 512-396-7695 or 512-353-1979

For further information concerning groups in the surrounding area please call the Alcohol and Drug Resource Center on campus, 512-245-3601.
What are my legal rights?

The Labor Code and the DWC Rules govern the rights and responsibilities of the employee, employer, and carrier and provide remedies in case of a dispute. As an employee:

• You are entitled to necessary medical care provided by a conveniently located doctor and hospital at a reasonable cost.
• You are entitled to an initial choice of doctors. You may make a request to change your doctor by contacting the DWC. A referral by your doctor to another doctor does not count as a second choice.
• You may be entitled to income benefits if you are unable to retain or obtain employment as a result of your injury.
• You may be entitled to partial compensation if an injury permits you to work, but at less than your regular wages.
• You may hire an attorney to represent you, if you so choose.
• You may get free advice from an Office of Injured Employee Council ombudsman by calling (800) 252-7031 or, if in Austin, (512) 933-1899. The ombudsman will handle all grievances and complaints arising from claims, and may recommend solutions to problems.

You may request that the DWC arrange a benefit review conference for you, a SORM representative, and the Workers’ Compensation Division if there is a dispute about your claim.

Where can I get more information?

If you have questions about an injury or a claim, contact your agency’s claims coordinator. You may contact the SORM claims adjuster assigned to your case if you need information that is not available from your claims coordinator.

State Office of Risk Management
P.O. Box 1377
Austin, Texas, 78711-3777
Telephone: (512) 475-1440
Toll-free: (877) 445-0006
www.sorm.state.tx.us

If you have other questions regarding your claim, you should contact:

Texas Department of Insurance
Division of Workers’ Compensation
7551 Metro Center Drive, Suite 100
Austin, TX 78744-1609
Telephone: (800) 252-7031
or (512) 804-4000
Or the DWC office in your area
What is the State Employees Workers’ Compensation Program?

The State Employees’ Workers’ Compensation Program pays for medical treatment and lost wages for state workers who are injured or become ill as a result of their work. Coverage is provided at no cost and employees are not required for sign-up for this coverage.

The State Office of Risk Management (SORM) serves as the state’s insurance carrier for this benefit. The program generally provides coverage to persons in the service of the State of Texas whether by hire, election, appointment or as employees of Community Supervision and Corrections Departments.

How do I file a claim for workers’ compensation?

If you have an injury on the job, notify your supervisor, personnel office or agency claims coordinator immediately. You may lose coverage if your injury is not reported within 30 days after the injury occurs.

After receiving the Notice of Injury, our office will assign an adjuster to process your claim. You should contact the adjuster if you need information that is not available from your claims coordinator.

You must file a claim with the Texas Department Insurance’s Division of Workers’ Compensation (DWC) within one year of your injury. You must do so in order to preserve your legal rights in the event there is a dispute over benefits.

DWC will send you the proper form for filing. The Division’s address is 7551 Metro Center Drive, Suite 100, Austin, TX 78744-1609, (512) 804-4000, or you may contact the nearest DWC field office.

What is covered by workers’ compensation?

The Workers’ Compensation Act covers on-the-job injuries that occur in the course and scope of employment and that result in damage or harm to the body. It also covers occupational diseases directly caused by exposure in the workplace. It can provide:

- Payment of doctor bills, hospital, medicine, ambulance, and other reasonable and necessary medical care;
- Weekly income benefits in the event income is lost as a result of your injury;
- and other benefits as appropriate

Weekly income payments are based on your average weekly wage during the 13 weeks prior to the injury. Maximum and minimum payments are established by statute, and while payments are almost always less than your full regular wages, your benefits are generally not subject to income tax.

Compensation payments are exempt from all liens except those for attorney fees, court-ordered child support, and recovery of state costs.
