Assistant Director,
Student Diversity and Inclusion; and
Ms. Michelle Sotolongo,
Student Development Specialist,
Honors College

In Limbo:
Dilemmas Faced by Undocumented Students

Undocumented students are attending colleges and universities and are an underrecognized demographic. To produce educated members of society, regardless of legal status, this presentation identifies available resources for these students who most likely did not make the choice to come to the U.S.

This training provides an overview of undocumented and DACAmented students including issues related to undocumented and DACAmented status, experiences on college campuses, and admission and financial aid.
