## Verification Statement

Mariachi Name: \_\_\_\_\_

School Name: \_\_\_\_\_

This section must be signed by a school principal or college/university director/dean, verifying that ALL students listed are enrolled at the school competing and are in good academic standing. A memo containing all students that the verification statement covers must be attached to this statement. Any statement NOT signed by the appropriate official will cause the school's registration packet to be considered incomplete and the students will NOT be allowed to compete.

I, \_\_\_\_\_, verify that the students attached are eligible to participate in this year's Texas State's Feria del Mariachi. All students are currently enrolled at this institution and are in good academic standing. In the event that the students or the school/college/university fails to meet these requirements, I understand that the ensemble will be disqualified and will not be allowed to compete at this event.
