

Thinkery

at the Meredith Learning Lab

1830 Simond Ave

Austin, Texas 78723

(512) 469-6200

Thinkery is Austin's home for "why" and "how." A place where science and families play side by side. Where people connect with ideas by doing, making and experiencing. It's a foundry for a new generation of innovators and creative problem solvers. And it's a heck of a good time. We are currently searching for candidates interested in executing their photography and digital communications skills in an informal science education setting.

Camp Photography and Digital Communication Interns

- Job Description:
 - Create dynamic and versatile photography of the Thinkery's summer programs, specifically the camp program.
 - Facilitate customer communication through photo library, email communication, and social media posts
 - Contribute ideas and develop content for blog posts & social media.
 - Assist with social media upkeep and content such as Facebook, Twitter, Pinterest, and Instagram
 - Contribute to other marketing/communications projects as assigned

Applications are due on April 21, 2017 and can be found at <https://thinkeryaustin.org/careers/>
