

Interview Information For 2017-2018 Internship Year Applicants

Interviews at the Texas State Counseling Center are conducted by the Intern Selection Committee and consist of the following:

- A uniform set of questions asked of all applicants
- Questions that arise out of the applicant's application materials or the interview itself
- A brief vignette which applicants are asked to comment upon in terms of what issues they would explore with this client
- Questions that the applicant may have about Texas State, the internship program, staff, campus, town, etc.
- A brief tour of the Counseling Center
- Time to meet with support staff and other professional staff not on the selection committee
- Time to talk to the current interns about their experiences

We try very hard to make this a non-threatening experience for intern applicants and are open to any questions or concerns you may have about whether our internship site is a good fit for you. The Texas State Counseling Center is committed to providing access for all persons and will provide accommodations to make our site/interview more accessible to you. We request notification of the need for accommodations at least 48 hours in advance.

If you have chosen to do a phone interview, the Selection Committee will contact you at the agreed upon time. All committee members will be present and the interview will be conducted via speakerphone. If you will be participating in an on-site interview, please arrive at the Counseling Center at 9:00 a.m. on the day of your interview. Although there will be some informational sessions that will include other intern applicants, all interviews will be conducted individually. All interviewees should have received confirmation of their specific interview date/time via e-mail.

Driving Directions: Taking I-35 South from Austin, or I-35 North from San Antonio, take the Aquarena Springs Drive exit (#206). Go west (to your right if coming from Austin, to your left under I-35 if coming from San Antonio) on Aquarena Springs to the 4th stoplight. Turn right on Sessom Drive.

After turning right on Sessom, go to the 3rd stoplight at Comanche Street. Take a left onto Comanche and then take a left onto Student Center Drive at the next stoplight. Take your first right off Student Center Drive to the entrance of the LBJ Student Center Parking Garage (we will validate your parking ticket). If you go to the side of the garage opposite the entrance and look to your right, you will see the LBJ Student Center (parking garage would be to your right as you faced the building). That entrance is on the 3rd floor. Walk in and go beyond the stairs (right in front of you) toward the back wall of the building. On your left will be a set of double doors; go through the doors and down the hallway. A little more than half way down the hall, to your left, will be a small hallway with the elevators (do not use the elevator on your right as you enter the Student Center – it doesn't go to the 5th floor). Go to the 5th floor. After getting off the elevator

you will want to go right, then left, then right down the hallway (across from the women's restroom). We're at the end of the hallway (Room 5-4.1). If you get lost or are running behind, just call 512/245-2208.

For maps of the campus go to <http://www.maps.txstate.edu/>. If you have any questions please feel free to contact me by e-mail or phone. The University will be closed from December 21st until January 1st, but I will check my e-mail periodically during this time and try to respond as quickly as possible.

Pamela R. Moore, Ph.D.
Director of Training
Texas State University Counseling Center
