Texas Education Code Section 61.822 requires that Texas public institutions facilitate the transferability of lower-
division course credit through the **Core Curriculum**. The Core Curriculum contains nine Foundational
Component Areas (42 hours), which every Texas State student must satisfy to graduate.

Texas State is a participant in the *Texas Common Course Numbering System (TCCNS).* Use the TCCNS to find
courses you can take at your institution to ensure transfer of credit toward freshman- and sophomore-level
degree requirements at Texas State.
