Texas Education Code Section 61.822 requires that Texas public institutions facilitate the transferability of lower-division course credit through the Core Curriculum. The Core Curriculum contains nine Foundational Component Areas (42 hours), which every Texas State student must satisfy to graduate.

Texas State is a participant in the *Texas Common Course Numbering System* (TCCNS). Use the TCCNS to find courses you can take at your institution to ensure transfer of credit toward freshman- and sophomore-level degree requirements at Texas State.
