FOOTNOTES

^a The information on this form applies to students assigned to the 2012 catalog. Catalog designation determines the curriculum and other academic policies that apply to a student. Students must graduate within six years of the semester used to designate their catalog; otherwise, they are subject to the curriculum and academic policies of a subsequent catalog.

^b For course options, see the 2012 catalog. (Note: If both courses are from the same science, one may be non-laboratory; otherwise, both must be four-hour courses and each must include a laboratory.)

^c **Foreign Language Requirement.** Students who did not satisfactorily complete at least two years of the same foreign language in high school must complete two semesters (6-8 hours) of a single foreign language as part of the degree requirements.

^d Management Advanced Electives may be chosen from any 3000- or 4000-level management courses not required for the major (excluding any ELADV course).

Writing Intensive Courses Requirement. Three courses (9 hours) designated as “writing intensive” (WI) must be completed at Texas State to satisfy degree requirements.

OTHER DEGREE REQUIREMENTS. Students must complete at least 120 semester hours, satisfy course requirements specified above and on their degree audit (including general education core, foreign language, and writing intensive course requirements), and achieve minimum grade point averages as follows: 2.0 Texas State GPA and 2.25 GPA in the business course work (common business core, major, and restricted advanced business electives).

DEGREE SUMMARY. Each student may access their degree plan through the DegreeWorks on CatsWeb (<https://sbs.txstate.edu>) by clicking the "Student" link and then "Degree Audit."
