Thank you for your interest in the Willed Body Donation Program at the Forensic Anthropology Center at Texas State University - San Marcos. Enclosed you will find all the forms necessary for donation. Body donation is an extremely generous gift after death. We would like for you to be familiar without policies prior to completion of paperwork.

1. **We do not** return remains to the family. The skeletal remains are held in permanent curation and are a very important component to our research and teaching program.

2. If you are an organ and/or tissue donor, you can still donate your body to our program.

3. We reserve the right to decline donations of individuals who have some form of infectious disease such as HIV, AIDS, tuberculosis, hepatitis, or antibiotic resistant infections such as MRSA, even if contracted after donation is arranged.

4. We will arrange transportation to our facility if the deceased is located within a 200 mile radius of Texas State University - San Marcos, located at 601 University Drive, San Marcos, TX 78666. Outside the 200 mile radius, the donor or the donor's family must make arrangements for the transportation of the body.

5. We are unable to transport from a private residence. The donor's family must arrange for transportation and assume responsibility for the cost. We will transport a body from a hospital, funeral home, forensic center, or some healthcare facilities that are within the geographic limits stated in item 4 above.

6. Donation paperwork for living donors needs to be returned to the Forensic Anthropology Center at Texas State University - San Marcos. Changes of address or medical status should be made by the donor to the Forensic Anthropology Center to keep donor files up to date.

7. The FACTS Body Donation Document must be signed by 2 witnesses over the age of 18) to verify your signature. It does NOT need to be notarized.

8. Once your donation paperwork has been accepted and reviewed, you will receive a letter of receipt confirming your status as a Living Donor with the FACTS Body Donation Program. You will also receive a donation card and a copy of the Body Donation Document to keep in your records.

If you have any questions or concerns that have not been addressed in this letter, please feel free to contact the Coordinator of the Forensic Anthropology Center, Sophia Mavroudas at 512-245-1900 or FACTS@txstate.edu.

It is my wish that at the time of my death, my body be made available for teaching and scientific purposes to the Anatomical Board of the State of Texas (Board) represented by Texas State University-San Marcos. I understand that the University will pay for transportation of my body so long as it is located with a 100 mile radius of Texas State University at 601 University Drive, San Marcos, Texas 78666.

The Willed Body Program is not responsible for any costs associated with other necessary arrangements.

I hereby relinquish all rights and claims regarding my body and direct that by accepting and using my body for teaching and scientific purposes and its subsequent disposition, neither the Board nor Texas State University shall incur any liability and no manner of claim shall arise against the Board or the University.

Complaints or inquiries regarding a willed or donated body should be directed to the secretary-treasurer of the Anatomical Board of the State of Texas.
