Total | 12-15 |

Senior Year-2nd Semester | Hours |
--- | --- |
___PSY 4391 (Capstone) (WI) | 3 |
___Minor or elective | 6 |
___PSY advanced elective (Group 4) | 3 |
Total | 12 |

NOTES:
1. *Italicized* courses satisfy both ACC and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
3. Students may elect to complete courses in a different sequence where possible but should consult counselor/advisor before doing so.
4. Nine hours of designated “writing intensive” (WI) courses must be completed to satisfy degree requirements at Texas State.
5. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to ACC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
UNIVERSITY ADMISSION:
1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), application fee, and all credentials to the Texas State Office of Undergraduate Admissions by the stated deadline: www.admissions.txstate.edu/future/deadlines.html

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

Students transferring directly to Texas State University-San Marcos from a community college may elect to follow the Texas State catalog in effect at the time they entered the community college or any subsequent catalog upon approval of the Dean of their College. Students are reminded to refer to their designated catalog for information relating to the University and the McCoy College requirements for curriculum, graduation, probation/suspension, and other general information.

PROGRAM ADMISSION AND PROGRESSION:
Students who meet university admissions requirements (intended majors) enter Psychology as pre-majors. However, admission to the major itself and to the PSY 3301 and 3302 courses in Group 0 require:

1. Completion of PSY 1300 and MATH 1315 (or their equivalents) with a grade of C or higher in each course.
2. A Texas State GPA of 2.25 or higher in all course work taken at Texas State. (Transfer students must meet with the departmental advisor early in their first semester to have previous course work evaluated for admission to the major, or permission to enroll in any courses with prerequisites.)

Completion of the above requirements allows a student to apply to become a full major. Admission to the major is required for enrollment in PSY 3301.

All substitutions for these courses based on transfer of credits from other colleges and universities must be approved by the Chair of the Department of Psychology.
