

Academic Program Director (APD)

1. Login to the main page site at <https://tim.txstate.edu/studyabroad>

Use your NetID and password.

2. Click **Add Programs** in the top right corner of the grid to add a new program. If you are modifying an existing program (from a previous year), click View next to the desired program.

You will only be able to modify programs for which you are the listed APD.

Add Program

3. Fill in the Program Details:
 - a. **Program Name** will be set automatically based on your location choice(s) and APD last name. E.g.: *Texas State at London, England with Smith.*
 - b. **APD** is automatically filled.
 - c. Select **Semester** using the dropdown menu.
 - d. Select the **Part of Term**.
 - e. To enter **Program Main Locations**, enter the **City** name and **Country** name in the text boxes, and then click the **[+]** button to add to the main locations table.
Repeat this process until all *main* locations are entered. If you are unsure if a city will be a main location or excursion, contact the Education Abroad office for guidance.
 - f. Click **Save Only** to save your progress and access the other screens. If the save was successful, you will see a screen letting you know the program was saved.

Save & Submit **Go Back**

A note about **Save & Submit**, **Save Only** and **Go Back** buttons

If you want to save your progress but are NOT ready to submit your program for review, use **Save Only**. You will still be able to make changes to the program information.

Save Only

If you want to go back to the main page, and do NOT want to save your progress, use **Go Back**. You will return to the main Education Abroad Program application page.

Go Back

If you want to save your progress, and are ready to submit your program for review, use **Save & Submit**. You will NOT be able to make further changes to your program.

Save & Submit

4. When you first open the program, all the sections will be collapsed. Click the down arrow at the far right of the section title to open the section for data entry. After each save, the sections will automatically collapse.

5. Open *Details*. Program Name, APD, Semester, Part of Term and Locations will be filled out as before. Fill out the following:

- a. Select **Extension Credit** or **Resident Credit**

NOTE: *Extension (non-formula funded) courses* are courses for which semester credit hours are not submitted for formula funding. Courses taught do not count toward faculty workload, and salaries are paid by Education Abroad. Students only pay tuition in addition to program fees. All faculty-led programs in the summer session must be offered as extension credit.

Formula-Funded courses are courses for which semester credit hours are submitted for formula funding. Courses taught count toward faculty workload, and salaries are paid by the academic department. Students pay tuition and mandatory fees in addition to the program fee.

- b. Select **Yes/No** for allowing more than one course if enrolled in the program.
- c. Use the calendars or manually enter dates in MM/DD/YYYY format for the following dates: **Departure from Texas, Arrival at Destination, First Day Classes Abroad, Last Day Classes Abroad, Departure Date – Return to Texas and Arrival Back in Texas.**

The **Days Calculated for Insurance Coverage** will be automatically calculated when you save your progress.

- d. Enter the Maximum number and Minimum number of Student that can enroll in the program. You can use the up and down arrows or enter the numbers manually.
- e. Enter the Maximum number and Minimum number of Credit Hours a Student May Take in the program. You can use the up and down arrows or enter the numbers manually.
- f. Courses will show in the Courses table after Faculty members enter their information. *Do not enter courses here.*

Will you approve students to enroll in only one course in this program?: ☐ Yes ☐ No
