ADMITTANCE TO THE TEACHER PREPARATION PROGRAM

Students seeking teacher certification must attend a Teacher Education Admittance Orientation at least one long semester prior to applying to the Teacher Preparation Program. TEAO sessions may occur at New Student Orientation or at other scheduled dates as indicated on the Office of Educator Preparation website: www.education.txstate.edu/oep.

TEACHER PREPARATION COURSE SEQUENCE

There is a specific course sequence for the Teacher Preparation courses. Blocked courses are two or more courses with an integrated curriculum. The Field-Based Block provides students with classroom experience prior to Student Teaching. Other degree and certification courses can be taken while completing the Education Core (Sequence One) and the Field-Based Blocks (Sequences Two and Three). All coursework must be completed prior to Student Teaching (Sequence Four).

SEQUENCE ONE: Education Core – CI 3310, CI 3325

Additional courses may be completed at this time. Must be completed before Field-Based Block One.

Apply for a Field-Based Block placement prior to registration for the upcoming semester. Refer to the Department of Curriculum and Instruction website at www.education.txstate.edu/ci for more information.

SEQUENCE TWO: Field-Based Block One – RDG 3315, RDG 4310

Additional courses, such as SPED 4344, may be completed at this time.

Apply for a Field-Based Block placement prior to registration for the upcoming semester. Refer to the Department of Curriculum and Instruction website at www.education.txstate.edu/ci for more information.

SEQUENCE THREE: Field-Based Block Two – CI 4300, CI 3300

Additional courses may be completed at this time.

Attend Student Teacher Roundup at the beginning of the long semester prior to the Student Teaching semester. For dates and locations refer to the Office of Educator Preparation website at www.education.txstate.edu/oep. This meeting is MANDATORY and begins the Student Teaching Application process.

Take practice tests (Content Area and Pedagogy & Professional Responsibility) for the TExES (Texas Examination of Educator Standards) during this semester. For additional information, refer www.education.txstate.edu/oep.

Take required TExES exams. Refer to the Office of Educator Preparation (www.education.txstate.edu/oep) for more information.

SEQUENCE FOUR: Student Teaching – EDST 4680

Final semester after all coursework has been completed.

Clear Tentatives with the Office of Educator Preparation by the stated deadline or you will be dropped from Student Teaching. The Student Teaching Tentatives Packet lists all requirements pending completion (coursework, specific grades, GPA) before Student Teaching may be approved.

Attend a Mandatory Student Teaching Meeting at the beginning of the semester. Expectations, policies, and procedures for Student Teaching will be discussed. Students will also receive their final placements and meet their University supervisors.

Apply for graduation online at the beginning of the semester.

Upon completion of all certification requirements (Student Teaching, graduation, and passing scores on required TExES exams), apply for certification on-line. Refer to the Office of Educator Preparation (www.education.txstate.edu/oep) for more information.

Students are ultimately responsible for knowing and fulfilling all University, College, Major, and Certification requirements. Failure to meet requirements and stated deadlines may delay graduation. Students who, at any time, are confused about academic requirements for their progress toward a degree and certification are encouraged and expected to meet with an advisor, adhering to the posted advising schedules and procedures.

This worksheet is intended as a quick and easy guide for your degree/certification but does not substitute for a degree audit. It is important that you meet with an academic advisor and refer to all information given to you throughout the course of your tenure at Texas State. Students are also encouraged to refer to the Texas State Undergraduate Catalog and Schedule of Classes for additional official information. The College of Education website (http://www.education.txstate.edu) may provide answers to most questions students have about major and certification requirements.
