C. McCall-Education
S. Day-Chair Rep
J. Fischer-Student Rep

Committee absent:
J. Crawford-Chair Rep
D. Perkins-Applied Arts
D. Showalter-Business Admin

Meeting convened at 3:39 p.m.

**Motion:**
R. Brown asked for a motion to approve the minutes from January 28th. B. Melzer so moved. M. Hennessy seconds the motion. The January 28th minutes were approved as prepared.

R. Brown told the council he has all the syllabi except Geology 1410 and 1420. The council will be looking at the syllabi for Natural Science, Fine Arts and Math Components. R. Brown hopes the council will have completed their review of the syllabi by the end of February. We will notify you via e-mail as soon as we receive the syllabi from Geology. You will find the proposed Geography course syllabi for review also.

The checklist for reviewing the syllabi consists of two pages. The checklist uses the elements of the syllabi components approved last semester. The council is still in the early stages of compliance with conformity of GEC approved syllabi.

All council members please review all syllabi.
R. Northcutt would like to create a blanket statement for academic honesty. We will look at this in the future.

At the March 25 meeting we will review the request for intro to Criminal Justice course to be added to the social science component. We will distribute at the next meeting.

R. Brown has had a conversation with V. Luizzi about critical thinking. They are discussing developing aids from what is learned from Phil 1305.

Meeting was adjourned at 4:02 p.m.
