COMMENCEMENT REGALIA

The gowns, caps, and hoods worn at university functions date back to the early days of the oldest universities in the Middle Ages. Monks and students wore them to keep warm in the damp and drafty 12th century halls of learning. This traditional academic dress had been gradually revised to the modern form that you see today.

All gowns have a semi-stiff yoke, long pleated front, and intricate shirring across the shoulders and back. The bachelor’s gown is worn closed, reaches about 8 to 10 inches from the floor and has long sleeves from which the arms extend at the wrist. The master’s gown may be worn open or closed and has long, pointed sleeves closed at the end, the forearm coming through a slit near the elbow, with the flowing sleeve extending down the thigh. The doctor’s gown may also be worn either open or closed but is distinguished by broad velvet panels down the front and by three velvet bars on the full bell-shaped sleeves. This velvet trimming may be either black or the color distinctive of the field of learning.

The black cap with maroon and gold tassel is worn by the holders of bachelor’s and master’s degrees; the black velvet tam with gold tassel is worn by holders of doctoral degrees.

The hood (not usually worn by the holders of the bachelor’s degree) is a black shell, silk-lined in the color or colors of the institution conferring the degree. The colors of Texas State University-San Marcos are shown by a maroon lining crossed with a gold chevron. The velvet border of the hood is the color signifying the field of learning in which the degree was earned and not in the department in which the major was completed. Thus, a degree conferred as master of education with a major in physical education requires the light blue of education rather than the sage of physical education. Similarly, the “doctor of philosophy” degree requires the royal of philosophy, not the color of the department in which the major of study was completed.

Colors signifying various fields of study that you may see today include:

| Agriculture | Maize |
| Architecture | Blue Lilac |
| Arts, Letters, Humanities | White |
| Commerce, Accountancy, Business | Drab |
| Dentistry | Lilac |
| Economics | Copper |
| Education | Light Blue |
| Engineering | Orange |
| Fine Arts | Brown |
| Forestry | Russet |
| Journalism | Crimson |
| Law | Purple |
| Library Science | Lemon |
| Medicine | Green |
| Music | Nursing |
| Oratory (Speech) | Pharmacy |
| Philosophy | Physical Education |
| Physical Therapy | Public Administration, Educational Leadership, Foreign Service |
| Public Health | Science |
| Social Work | Theology |
| Veterinary Science | Medicine |
The use of a mace during university graduation ceremonies combines symbolic communication with the principle of vested authority at the most traditional and sacred of academic celebrations. The Texas State ceremonial mace is made of bronze and walnut and displays the university seal in maroon and gold relief. Beneath the seal is a metal base inscribed with the words AUCTORITAS, GRAVITAS, HUMANITAS, and VERITAS. These words come down to us from antiquity and represent our shared academic values:

Auctoritas: The sense of one’s standing gained through experience, industriousness, and service to others.
Gravitas: A sense of dignity, seriousness, and duty.
Humanitas: An appreciation for refinement, civilization, and learning.
Veritas: Truthfulness.

The mace adds meaning and dignity to the commencement ritual. It reminds both participants and spectators that education is one of the most cherished attributes of a free and democratic society.
Texas State Official Class Ring is a lifelong representation of Texas State pride. The symbols on the ring capture the essence of Texas State.

**Explanation of symbols**
The top of the official ring features a Texas “lone star” set upon an oak-and-laurel wreath. Around the crown of the ring, the Texas State University name and the founding date of 1899 are spelled out.

The left side of the ring features Texas State’s original campus building, Old Main, with tubers floating by on the steady flow of the San Marcos River. The right side features the T-star-S-logo and is symbolic of the historic roots of Texas State. The T is for Texas and the S is for State. The star represents the star in both the university seal and the state seal of Texas. The school flower, the gaillardia, is engraved inside the ring. Also known as the Indian blanket, it is the source of Texas State’s school colors, producing showy gold-and-maroon flowers along freeways and highways, and representing Texas State throughout the state and beyond.

**How to wear your ring**
Before graduation: wear your ring facing in, so that when you look down at your hand you can read Texas State University.

At graduation: after you receive your diploma, turn your ring around so that the words Texas State University now face out, displaying your pride to the world.

**Texas State Tassel**
Tassel turning is a time-honored tradition at Texas State. Baccalaureate and Master’s candidates wear a maroon and gold tassel adorned with a gold charm displaying the year of graduation. Doctoral candidates wear a solid gold tassel.

After diploma presentations, candidates are instructed to move their tassels from the right side of their cap to the left, signifying the completion of their degree at Texas State.
Ceremonial Brass, a student ensemble, performs for some 13 Texas State Commencement ceremonies each year, led alternately by professors Rodney Schueller and Howard Hudiburg. *A Texas State of Mind*, a medley of Texas tunes often performed at these events, was composed especially for them by former School of Music director Joseph Stuessy.

The Texas State School of Music’s wind and percussion ensembles have won national recognition and appeared at such distinguished festivals and conventions as the Texas Music Educators Association in San Antonio and the College Band Directors National Association in Seattle.

The Ceremonial Brass is one ensemble of many offered by the School of Music, including choirs, wind ensembles, symphony orchestra, mariachi, salsa bands, jazz bands, opera theater, modern music, percussion, steel drums, flute choir, trombone choir, horn choir, drumline, and, of course, Bobcat Marching Band! Though many ensemble members are music majors, many also come from a variety of disciplines across the entire campus, especially for Marching Band. Texas State music ensembles have performed across the U.S. and abroad, in South Africa, Italy, Austria, Switzerland, Ireland, Czech Republic, Mexico, and The Netherlands.

The School of Music offers a busy lineup of concerts for the public, frequently including acclaimed guest artists. The Somos Músicos concert series is designed for music students to perform for each other in a supportive, informal setting. Reaching beyond the idea of a learning laboratory, “*Somos Músicos*” (“We are Musicians”) has become a motto for the entire school, expressing a collective passion for making music together.

Alumni can keep up with Texas State Music on the Web at music.txstate.edu and by joining the new Facebook group, “Somos Músicos Connection”.
