Texas Education Code Section 61.822 requires that Texas public institutions facilitate the transferability of lower-division course credit through the Core Curriculum. The Core Curriculum contains nine Foundational Component Areas (42 hours), which every Texas State student must satisfy to graduate:

Texas State is a participant in the *Texas Common Course Numbering System (TCCNS)*. Use the TCCNS to find courses you can take at your institution to ensure transfer of credit toward freshman- and sophomore-level degree requirements at Texas State.

ADMISSION TO THE RADIATION THERAPY PROGRAM

Students should transfer to Texas State early enough to complete AT 3358, which is only taught at Texas State. Completion of Anatomy & Physiology is required in order to register for AT 3358.

Any student entering Texas State may declare Pre-Radiation Therapy as their major. Admission to Texas State does not guarantee admission to the program. Admission to the program is competitive and selective. It is recommended that students arrange academic advising at least once prior to making application. The academic sequence begins during the fall semester. Enrollment is limited by student/faculty ratios in the clinical components of the program. The deadline for submission of applications is January 15.

Program Admission Requirements

1. Admission to Texas State.
2. Satisfactory completion of all general education requirements and a minimum overall GPA of 2.75.
3. Any student who did not complete at least two years of the same foreign language in high school is required to take 6-8 hours of the same foreign language.
4. Students must receive a “C” or higher in all math, science, and support courses.
5. Effective fall 2017 applicants must have a Science and Support Course GPA of 3.0 or higher. No more than 2 attempts on any one science course is permitted.
6. Completion of an application packet for admission.
7. Three letters of reference and a career goal statement.
8. Successful interview of selected candidates with admission committee.
9. 40 hour clinical observation with completed evaluation on file by Jan. 15.
10. Students must be able to perform the 13 Technical Standards indicated by the American Disabilities Act (refer to program website or department for more information).
11. Previous misdemeanor or felony convictions will affect admission to the program.
UNIVERSITY ADMISSION:

1. Submit a completed application, all supporting documents, including an official high school transcript and transcript(s) from every institution attended and application fee, to the Office of Undergraduate Admissions by the stated Priority Date.

2. For students with fewer than 30 transferable hours: minimum 2.0 GPA in all transferable coursework and meet freshman admission standards.

   For students with more than 30 transferable hours: minimum 2.25 GPA in all transferable coursework, eligible to return to all previous institutions, and be at least one semester out of high school.

Students transferring to Texas State from a community college may elect to follow the Texas State undergraduate catalog that was in effect at the time they enrolled at their community college. Students may also, with the approval of their College Dean, follow a subsequent catalog. Students are reminded to refer to their designated catalog for information related to University requirements for curriculum, graduation, probation/suspension, and other general information.
