Workshop Announcement:

Identifying Human From Non-Human Bone

This is a hands-on workshop designed to educate law enforcement, medicolegal death investigators, graduate students, and advanced undergraduates on the differences between human and non-human bone morphology. Participants will examine gross and microscopic differences between human and non-human bone. Basic knowledge of skeletal anatomy is required. Handouts will be provided.

**Dates:** June 17, 2016

**Times:** 9:00 a.m. – 5:00 p.m.

**Location:**
Texas State University
Freeman Ranch Multi-Purpose Facility
2101 Freeman Ranch Road
San Marcos, TX 78666
