newsey bits for the LBJ Student Center

March 2015

Issue 2

DEAN'S LIST TAKEOVER

It is no surprise to anyone that the LBJ Student Center has in its employ some of the best and brightest on campus. If there were any need for confirmation, the Dean's List Reception would have been more than sufficient evidence.

One of our outstanding employees in attendance was Abby Stanley. This sophomore education major is getting ready to make big waves in the education field.

DAY OF SERVICE

There are more special traditions here at Texas State than simply fondling a horse for good luck, and among the nobler of these traditions is Bobcat Build. This is not some halfway thought out street cleanup; Bobcat Build is the culmination of the efforts and planning of around 30 dedicated students who want to help give each member of the Texas State community the opportunity to give back to the city that we now call home. Failure to participate in this service event would be an irreconcilable error.

It isn't too late to sign up, so if you had any reservations about participating before, stop dilly-dallying and register. Volunteer registration closes tomorrow, March 13, at midnight, and the event itself will take place on March 28.

To register, visit <http://www.bobcatbuild.txstate.edu/>.

ONLY SHOOTING STARS BREAK THE MOLD

Yes, the headline is Smash Mouth. No, this article isn't about that. This article is however about being a star. The LBJ Student Leadership Team, in all of its wisdom, wants to recognize you and your department leaders for all of the hard work and accomplishments you provide the Student Center.

Be you a full-time staff member, graduate student, or a student employee, you have the opportunity to nominate and be nominated for some well-deserved recognition. Consult your emails - hopefully inbox and not deleted items - for Donna's email containing full details.

JACK'S TEE BOX

Greetings Student and Full-Time Staff, I thought you might enjoy this video on college unions. It is certainly relevant to our LBJ Student Center. <http://goo.gl/FJJZcw>

Considered the "Living Room" of campus, our Student Center sees more than 24,000 visitors a day!

As the University has grown, so has the need for a large, more contemporary building to better serve all of our students and campus community.

We will be embarking this year on a major renovation for LBJ. As staff, all of you have insights and ideas on what we need to better serve our students and guests. Please feel free to share with me what you think we need.

I encourage you all to Dream Big! Let's get this done together!

TAXES ARE TAXING

The most popular event in March is often considered to be March Madness, and the least popular event is often considered to be tax season. An unfortunate part of growing up is participating in the season, but it doesn't have to be as horrible as some people make it seem.

Make full use of the services that our University provides by attending the VITA Tax Clinic. This event will be held every Tuesday for the remainder of the month (Spring Break excluded) and is held in MCOY room 125 from 4:00 to 8:00 p.m. For more information or questions about what you will need, email VITA@txstate.edu.
