DECLARATION OF PROGRAM
Texas State University – College of Education Advising Center

Recreational Administration

Degree: Bachelor of Science in Recreational Administration (BSRA)
Major: Recreational Administration (REC)
Catalog Year: ________________________________

Optional Minor: _________________________________________

Student Information
Name: _____________________________ Texas State ID: A0 Effective Semester: __________

- Initial Declaration (New Student Orientation)
- Readmitted Student (New Student Orientation)
- Change from previous program: _________________________________________

I understand that:

- The decision to change to a different major or program now or in a future semester will likely result in additional hours required for degree completion and delayed graduation and could potentially result in tuition for excessive attempted hours.
- REC 1310 Introduction to Recreation & Leisure Services and REC 2330 Leadership in Recreation & Leisure Services should be taken as early as possible in order to meet prerequisites for REC 2335, which is the gatekeeper prerequisite course to all other REC course requirements.
- REC 1330 Leisure and Outdoor Recreation requires some weekend work outside of classroom hours.
- REC 3340 Design and Maintenance of Recreational Facilities and REC 3351 Evaluation of Leisure Service Programming should be taken in separate semesters if possible (not concurrently).
- This program includes the requirement of 17 elective hours in order to reach the required total hour minimum for degree completion of 120 hours. Students are encouraged to be intentional in their selection of electives but may utilize previously completed credit hours not otherwise satisfying degree requirements as electives.
- REC 4380 Seminar in Recreation should be taken the semester immediately prior to the Internship.
- Attendance at an organizational meeting the semester prior to enrollment in REC 4680 is required, as well as completion of any other required coursework prior to the Internship semester.
- The REC 4680 Internship in Recreation is a 400-hour experience that must be completed at an approved site during a fall or spring semester or across both summer sessions. Transportation and/or financial challenges are not justification for this requirement to be waived.
- In order to graduate with honors, I must complete a minimum of 54 Texas State credit hours and earn a Texas State GPA of 3.40 or higher.
- Regardless of catalog year, I will be held to current academic policies and course prerequisites which are subject to change.

Additionally, I recognize that the REC courses in my major have limited enrollments and are offered on a rotational basis (fall only or spring only, etc.). I may not be able to register for these courses in my desired academic year and should adjust my long-range plan accordingly.
