Strategic Plan (#13)

Provost Bourgeois and guests, Drs. Beth Wuest and Lisa Garza, discussed proposed Key Performance Indicators (KPIs) to be used to assess progress relating to the 2017-2023 University Plan. After discussion, Drs. Beth Wuest and Lisa Garza agreed to edit the proposed KPIs consistent with the consensus reached by Cabinet members and circulate the edited document.

President's Update (#556)

President Trauth stressed that all employees must consistently and accurately enter time into the timekeeping system as required by state law and supervisors are required to be certain their direct reports acts consistent with state law.

Significant Issues (#01)

Enrollment Management (#9)

Provost Bourgeois provided an enrollment update.
