### UNIVERSITY TRANSFER ADMISSION

We are thrilled you have selected Texas State University's Round Rock Campus (RRC) as your intended transfer institution! Visit the RRC website to ensure you complete the appropriate steps for getting started: [www.rrc.txstate.edu/prospective/starting](http://www.rrc.txstate.edu/prospective/starting).

Grades in technical/vocational courses are non-transferable. A minimum 2.25 GPA in all transferrable courses (minimum 30 hours) is required. For more information, please visit the University Catalog: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/).

Visit the Office of Undergraduate Admissions website to view admission priority dates for upcoming semesters and to learn about transfer admission and application requirements: [http://www.admissions.txstate.edu/future/transfer.html](http://www.admissions.txstate.edu/future/transfer.html).

### NOTES

The RRC only offers the upper-level courses. All lower-level core and prerequisite coursework must be completed in San Marcos, online, via Texas State Correspondence and/or at ACC. The lower-level courses should be completed prior to attending the RRC.

Many core courses are offered via Texas State Correspondence. You may take up to a total of 18 hours via Texas State Correspondence. Visit the University Catalog and Correspondence website to learn more: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/) and [http://www.correspondence.txstate.edu/](http://www.correspondence.txstate.edu/).

Texas State will apply 66 hours from an accredited two-year college to a degree. Visit the University Catalog to learn more: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/).

University transfer planning guides may be found on the Admissions website: [http://www.admissions.txstate.edu/future/transfer/tpg.html](http://www.admissions.txstate.edu/future/transfer/tpg.html).

Students are encouraged to refer to the University Catalog for current degree plans and policies: [http://mycatalog.txstate.edu/](http://mycatalog.txstate.edu/). Students are ultimately responsible for knowing and fulfilling all university, college, major and certification requirements.

Upon completion of certain course requirements at Texas State, students may elect to send these hours back to ACC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer”: [http://www.austincc.edu/degrees-and-certificates/earn-a-degree-and-transfer/reverse-transfer](http://www.austincc.edu/degrees-and-certificates/earn-a-degree-and-transfer/reverse-transfer).

### FOREIGN LANGUAGE PROFICIENCY

**NOTES**

This degree plan check sheet is intended to be used as an outline of your degree, not a substitute for academic advising. Students are expected to meet with an academic advisor to ensure successful progression toward degree requirements. Meeting with an academic advisor at least once a semester is strongly encouraged as Round Rock courses are offered on a semester rotation.
