

Ed. PhD Study Agreement for Individualized Topic Course (ED 7378)

1. Secure faculty sponsor.
2. In conjunction with faculty sponsor, complete Independent Study Agreement Form.
3. Submit completed Agreement Form to the Administrative Assistant for your major for the signature of your PhD major director at least 3 days before the last day of registration. This will allow time needed to create the section through the Registrar's Office.

Fill out the Class Registration Override Form <http://www.txstate.edu/clas/About/Class-Registration-Overrides.html> and submit it to the Administrative Assistant for your major so that the system will allow you to register.

The Administrative Assistant will inform you by e-mail when your request has been approved and the override completed.
