

Texas State University-San Marcos
Administrative and Educational Support Outcomes Assessment

Year	2008-2009
College/Division	Student Affairs
Department/Unit	Multicultural Student Affairs
Program Name/Department	Multicultural Student Affairs
Contact	Sherri Benn
Mission Statement	

The mission of the Office of Multicultural Student Affairs is to provide academic, cultural and personal support for underrepresented students for the purposes of degree completion and the development of skills for lifelong success.

Evidence of Improvement

Outcome Number 1

Learning Outcome: Student who participate in Multicultural Programs will be able to identify multiple cultures represented at Texas State.

Program Outcome: The Office of Multicultural Student Affairs will sponsor multicultural programs that provide student with opportunities to gain knowledge about diverse cultures at Texas State.

Outcome Number 2

Learning Outcome: Underrepresented students who participate in TRiO (SSS, ETS, UB, RTS) academic and support programs will be able to demonstrate progress towards the achievement of the programs' academic requirements.

Program Outcome: TRiO programs will provide academic support programs which increase students' opportunities to develop skills which enable participants to achieve their academic goals.

Outcome Number 3

Learning Outcome: Multicultural student leaders who participate in Multicultural Students Affairs leadership programs will be able to demonstrate diversity leadership skills (i.e. make presentations on diversity, develop diversity programs, relay concepts of diversity, and knowledge of social justice).

Program Outcome: The Office of Multicultural Student Affairs will expand program opportunities to increase student knowledge of complex diversity concepts (i.e. social justice, racism, privilege and oppression).
