employee of the month
The Office of Community Relations, Human Resources Work Life Program, and University College will host the third annual Summer Camp Fair. This event showcases Texas State summer camps and other services to San Marcos and surrounding area families and alumni.

This interactive event also features door prizes, refreshments, live music, demonstrations and an appearance by the Texas State Spirit Team.

Camp representatives will be on hand to answer questions and offer more information. Attendees will learn about the variety of camps focusing on fine arts, athletics, advanced academics and more.

To see a full list of the summer camps offered, visit Work Life’s Summer Camps website or the Office of Community Relations Summer Camp Fair website. *Exact camp dates will be updated on the website as soon as possible. Please check back for the most updated information.

For questions, please contact Community Relations at 512.245.9645.
Summer Insurance Premiums “Prepay” Option
(For 9-month faculty, staff and graduate students)

Faculty, staff, and graduate students scheduled to return in the fall but not expecting to receive a paycheck each month this summer may elect to have their insurance premiums payroll deducted in advance on their June 1 paycheck.

What are the Advantages of Prepay?
- Since premiums are payroll deducted, the amount will be tax sheltered.
- It is convenient - just complete the authorization form, and we will take care of the rest.

How Do I Sign Up?
Look for a form sent directly to your e-mail in mid-April. Return your completed form to Human Resources by the stated deadline in the e-mail.

If you have questions about the status of your insurance coverage during the summer, please contact Heather Steed (hh19@txstate.edu) or Debbie De La Cruz (dad145@txstate.edu) in the Benefits Section of Human Resources. Call us at 5-2557 or come by JCK 360.

Texas State Blood Drive

The next Blood Drive will be held on Wednesday, April 6 from 9 a.m. – 3 p.m. in JCK 1100. The Blood Center of Central Texas brings their mobile unit on a regular basis so employees may donate blood on campus. because there is no donation center in San Marcos.

Prior to donating, you must:
- eat a full meal
- provide a photo ID
- be at least 17 years old
- weigh 115 lbs. to donate whole blood; 110 lbs. to donate platelets
- be in good health

To register, go to www.inyourhands.org
- Click on the link above.
- In the “Donate Blood” section, click on “Find a Drive.”
- Click on the “Donate Now” option located in the top menu bar.
- Under the Quick Links list, click on “Search By Group Code A059” option.
Trainign offered by the HR Master Data Center (MDC)

The HR Master Data Center (MDC) offers monthly training classes to assist our campus users in understanding SAP Organizational Management and Staff and Student PCR creation.

Go to www.hr.txstate.edu/hrmasterdatacenter.html to register for a class and review all training presentations. Classes are open to SAP users who have the security role of ‘Department Head’. This role allows access to their department’s organizational structure and the Electronic PCR tab in the SAP Portal for E-PCR creation.

The HR Master Data Center offers the following classes:
- Introduction to Understanding Organizational Management and PCR Processing in SAP
- Understanding Organizational Management in SAP
- Understanding Staff PCR Appointments in SAP
- Understanding Hourly Student PCR Appointments in SAP
- Understanding the Electronic PCR Process

Yes. HealthSelect requires a referral to see a network specialist prior to seeking services. Referrals are valid for 12 months or 12 visits (whichever comes first).

A referral is NOT required for the following services:
- Routine or medical eye exams
- Behavioral health counseling
- OB/GYN visits
- Outpatient therapies (including chiropractic visits)
- Urgent care centers
- Convenience care clinics
- Virtual visits
- Emergency services
All employees should elect SAP online delivery due to the replacement of your previously elected ADP online delivery.

SAP Portal now provides your annual W-2 forms

- All employees should elect online (paperless) delivery.
- Click here to access instructions to elect online (paperless) delivery on the SAP Portal available on the Payroll website.
- Click here to proceed with the one-time enrollment election process using our secure website.
- SAP will automatically send you an election confirmation email.

Benefits of the electronic W-2 Form:
- Access to your W-2 form in mid-January
- Print the W-2 form at your convenience
- Ensure the security of your W-2 by stopping the annual mailing of a paper copy
- Provide access to your W-2 before the traditional U.S. mail delivery
- Help the university save money in printing and postage costs and helping to Go Green

Important Disclosure Information:
- Consent for online delivery is only required once
- Upon termination of employment, all former employees will receive a paper W-2 for their last year of compensation
- For those employees who do not elect online delivery, a paper W-2 Form will be mailed to the last known address on or before January 31, 2017

All employees will be notified via email when the online 2016 W-2 forms are available on the SAP Portal in January 2017. For any questions, please contact the Payroll and Tax Compliance office at 512.245.2543 or payroll@txstate.edu.
We’re Revamping our HR Website

At the tail-end of last year, the HR Web Team held focus groups with our main users to determine how to best meet their needs. As a result, the website will undergo a significant overhaul to provide the tools and resources our main user groups need in a more user-friendly and attractive way, while maintaining access to our functional areas. Updates will be announced as we move forward. Brief overviews of some of the changes and new additions are provided below.

UPDATES

**HR Homepage**

Our **HR Homepage** underwent a facelift. Now you can view our HR news through the slider and access our main areas at the bottom of the page.

Future changes to the homepage involve 1) revamping the top tab to identify our user groups, and; 2) a clean sweep of our sidebar to only reflect our HR areas and main resources.

**Hiring Manager Website**

The **Hiring Manager website** received an update. New features include new buttons directly linking to EASY for hiring managers posting positions. There are also links to resources and training for the EASY upgrade. The HireRight website is also available with resources regarding the user guide and customer service.

NEW ADDITIONS

**Performance Management Website**

To facilitate the transition between appraisals and performance management, a [new website](#) was created to help you understand more about performance management, how the new process will work, the training involved and who to contact for more information.

**New Employee Welcome Website**

To facilitate the onboarding of newcomers, this [new website](#) is designed to help new Bobcats access what they need before they arrive up until their first year. Features include access to the main resources newcomers need, the benefits available, and an invitation to explore Texas State to connect with our culture and Bobcat initiatives.
### Performance Management Training

Both supervisors and employees can sign-up for training. Dates are announced on the [Training section](#) of the new [Performance Management website](#).

Research has shown both the quality and the quantity of sleep we get has an undisputed impact on our ability to fight infection and disease, overall physical health, our memory and recall, our ability to concentrate, and our decision-making ability. With your busy schedule, it is very important for you to view sleep as a necessary part of your daily routine leading to staying physically, mentally, and emotionally healthy.

Here are “6 Lifestyle Tips” to help you increase both the quality and quantity of your sleep.

1) **Decrease caffeine, nicotine, and restrict alcohol after 7pm:** this will allow you to fall asleep quicker and stay asleep all night.

2) **Get regular physical exercise:** this will help you fall asleep faster, spend more time in deep sleep and wake up less often in the night.

3) **Keep the bedroom dark:** your TV, computer screen, smart phone, and tablet has a high degree of blue spectrum light, which signals our brain that is it “time to wake up.” The bedroom should only be used for sleeping—not as your library or office.

4) **A hot shower before going to bed can help you go to sleep faster:** or you can try a cup of decaffeinated herbal tea.

5) **Melatonin (over the counter):** this naturally occurring hormone we make in our own body can be used as a supplement to help assist you getting to sleep and staying asleep when you are having a difficult time sleeping. It is safe to take 0.3 to 5 mg just 30 minutes before bedtime for a few days and then stop taking it when you are back on track with your sleep.

6) **Relaxation Techniques:** try meditation, guided imagery, deep breathing exercises, progressive muscle relaxation OR Cognitive Behavior Therapy for serious sleep issues.

Foods that are helpful in maximizing sleep are poultry, seafood, nuts & seeds, legumes, fruits—like bananas & prunes, grains, low-fat yogurt, soybeans, green snap peas, okra, broccoli, avocado, spinach. Foods that ROB you of a good night’s sleep include foods/drinks containing caffeine, spicy foods, alcohol, high fat or high protein foods eaten late at night, foods containing water, or any heavy meals before bedtime. Ideally, you should not eat later than 7pm to give your stomach a chance to empty before a 10pm bedtime.

Follow these easy tips and you will NOT be...“Sleepless in San Marcos!”

New Employee Orientation (NEO) II
Friday, April 8, 2016
8 a.m. – 12 p.m.
JCK Suite 460

We remind all new staff employees hired during the past month that the second part of New Employee Orientation (NEO) will occur on Friday, April 8.

NEO is designed to provide useful information to new employees regarding the resources, benefits, and opportunities associated with employment at Texas State University.

NEO II, held on the second Friday of each month, is the second part of the required orientation program for all new Texas State employees hired during the past month. New faculty members are also invited to attend. A light continental breakfast is served.

For more information contact Professional Development at ext. 5-7899.

Support Staff Resources Website

Do you have questions about a business process or service? Don’t know who to contact? Here is your chance to find answers.

The Support Staff Resources@TXSTATE website is designed to help you quickly find information on business processes, services, policies, e-forms, manuals, training opportunities, and much more.

The website was created by the Administrative Support Staff Committee and Human Resources for new employees and for those who provide administrative support services to campus.

The website is updated frequently. We welcome your recommendations or feedback.

Shonte’ is responsible for all of the e-Procurement (TSUS Marketplace) functions of the Purchasing department as well as all of the SAP Purchasing functions. Not only does she make sure that the TSUS Marketplace is up and running on a continual basis, she also works diligently with our vendors to ensure that Texas State receives the best pricing and service in accordance with their contract with Texas State. She and her group constantly analyze pricing and availability to make sure that the University utilizes its best strategic buying power. Shonte’ leads all new start-ups for each store brought on to the Marketplace. She works with SciQuest all the way through the testing phase to make sure that everything is working perfectly before the store is introduced to the campus. Shonte’ works tirelessly with the end-users answering numerous questions and conducts one-on-one training. She trains the staff and end-users on both SAP and the Marketplace. As one faculty says, “Shonte’ saved me again.” She always goes the extra mile in order to help the campus. She is exactly the kind of employee that most departments would be proud to have!

In addition to her many job duties, Shonte’ also works with the other schools in the Texas State University System to ensure that the consortium created by Texas State offers the same level of service that we receive here on our campus. She has trained nearly all of the other purchasing offices on the Marketplace. All of this has been done by phone and her patience never falters. Most of the other schools have stated clearly that without Shonte’s help, they would not be nearly as productive as they are today.

Shonte’ started in Purchasing as an Administrative Assistant II and was promoted to a Buyer because of her positive personality and “can-do” attitude. She learned as much as she could and took as many classes as she could. She is certified as a Certified Texas Purchaser (CTP) and Certified Texas Purchasing Manager (CTPM). When the position of Assistant Director was created it was not hard to see that she was a perfect contender for the position. She has excelled and never stops learning or trying to better herself. Shonte’ will be graduating from Texas State on December 11, 2016. Not only is she a rising Star as an employee, she is a true BOBCAT! She has put in 40-50 hours a week at work, finished her internship program and is graduating with a 3.25 grade point average. She also takes care of three young children. Shonte’ works hard and leads by example. She is well respected among her peers at Texas State and throughout the System.

“Shonte’ always goes the extra mile in order to help the campus. She is exactly the kind of employee that most departments would be proud to have!”

Congratulations, Shonte’, on your hard work and dedication!
