01. **POLICY STATEMENT**

01.01 The Student Affairs Division is committed to recruitment and retention of a heterogeneous and qualified student body, and providing services which enhance their personal development and contribute to the fulfillment of their goals. The following procedure contributes to the implementation of this policy.

01.02 This SA/PPS provides an organized procedure whereby a university department may charter a student organization.

02. **POLICY**

02.01 The university accepts the responsibility for assisting students in organizing and maintaining chartered student organizations; agrees to support, supervise and advise their activities, will provide resources for those activities; and acknowledges that these organizations contribute to the educational mission of the institution.

02.02 The granting of chartered status represents a partnership between the university and the chartered organization’s executive body. Chartered Student Organizations are held to a higher standard with higher expectations than other student organizations. Included in those higher expectations are minimum grade point averages for members and officers. It is the expectation that the chartered organizations, in consultation with the sponsoring department, determine the minimum GPA for officers. Individual officer GPA’s minimum requirements shall exceed the 2.25 Texas State cumulative GPA required of registered student organization officers. Student Involvement @ LBJSC verifies all organization officer grades during the annual registration period at the beginning of the fall semester for compliance with the minimum as set forth by the Student Organization Handbook. It is the expectation that the sponsoring department determine the chartered organization's officer GPA.
compliance according to that organization's policy statement. All minimum requirements should become part of the Constitution or PPS for that chartered organization. Other higher expectations include exemplary conduct and civic responsibility involvement for officers and members, which should foster in these students an affinity for the university and the sponsoring department.

02.03 To qualify as a chartered student organization, the functions of the student organization would generally be performed by the university if the group did not exist.

03. **PROCEDURE**

03.01 Chartered student organizations, as partners with the university, are subject to all laws, rules, regulations and policies which govern the sponsoring university department, Regents' Rules, and University policies.

03.02 An application for chartering an organization must be initiated by the university department or auxiliary organization that will assume responsibility for the organization. The Chartered Student Organization Application is available by request from Student Involvement @ LBJSC. The procedure for chartering a student organization is as follows:

Step I

The department/auxiliary unit must submit an application of charter and a memorandum to the Dean of Students or college dean (for academic departments) expressing intent to establish a chartered organization. The memorandum must include the following:

The constitution must be approved through the appropriate administrative channels to establish the organization. The constitution must include the following components:

c. A reference to the chartered organization's relationship to the sponsoring department or auxiliary unit;

Step III

The letter of intent, a copy of the charter application a copy of the constitution, and all applicable documents will be forwarded in triplicate by the department/auxiliary unit or college dean to the Dean of Students Office, or designee, for final approval. The Dean of Students will retain copies of all charter-related documents submitted and will forward a copy to Student Involvement @ LBJSC. The original application and constitution will be returned to the submitting department.

03.03 The Dean of Students, in consultation with the Director of the LBJ Student Center and the Associate Director for Student Involvement @ LBJSC will review and approve chartered status for all student organizations requesting this classification.

03.04 In the event that a sponsoring department/office withdraws its support or if the chartered student organization does not comply with operating guidelines set forth in its constitution, the Dean of Students, in consultation
with the Director of the Student Center and the Associate Director of Student Involvement @ LBJSC may suspend or revoke the Charter.
