- (090) Core Coded Course

FOREIGN LANGUAGE PROFICIENCY
If two years of the same foreign language (or American Sign Language) were not completed in high school, students must complete two semesters of the same foreign language at the college level.

UNIVERSITY TRANSFER ADMISSION
We are thrilled you have selected Texas State University’s Round Rock Campus (RRC) as your intended transfer institution! Visit the RRC website to ensure you complete the appropriate steps for getting started: www.rrc.txstate.edu/prospective/starting.

Grades in technical/vocational courses are non-transferable. A minimum 2.25 GPA in all transferrable courses (minimum 30 hours) is required. For more information, please visit the University Catalog: http://mycatalog.txstate.edu/.

Visit the Office of Undergraduate Admissions website to view admission priority dates for upcoming semesters and to learn about transfer admission and application requirements: http://www.admissions.txstate.edu/future/transfer.html.

NOTES
The RRC only offers the upper-level courses. All lower-level core and prerequisite coursework must be completed in San Marcos, online, via Texas State Correspondence and/or at ACC. The lower-level courses should be completed prior to attending the RRC.

Many core courses are offered via Texas State Correspondence. You may take up to a total of 18 hours via Texas State Correspondence. Visit the University Catalog and Correspondence website to learn more: http://mycatalog.txstate.edu/ and http://www.correspondence.txstate.edu/.

Texas State will apply 66 hours from an accredited two-year college to a degree. Visit the University Catalog to learn more: http://mycatalog.txstate.edu/.

University transfer planning guides may be found on the Admissions website: http://www.admissions.txstate.edu/future/transfer/tpg.html.

Students are encouraged to refer to the University Catalog for current degree plans and policies: http://mycatalog.txstate.edu/. Students are ultimately responsible for knowing and fulfilling all university, college, major and certification requirements.

Upon completion of certain course requirements at Texas State, students may elect to send these hours back to ACC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer”: http://www.austincc.edu/degrees-and-certificates/earn-a-degree-and-transfer/reverse-transfer.

APPLIED ARTS & SCIENCES
The Bachelor of Applied Arts & Sciences (BAAS) requires an individualized plan of study based on each student’s past learning experiences and future career goals.

STEPS TO REGISTER FOR CTE 3313E AND OCED 4350
- Attend a BAAS Information Session
  RSVP: https://tim.txstate.edu/rrcstudentmanagement/
- Apply and receive admission to Texas State University www.rrc.txstate.edu/prospective/starting/ug
- Meet the 2.25 Overall GPA and Texas State GPA (Texas State GPA is considered for former students)
- Complete the RRC Online New Student Orientation
- Attend your scheduled RRC academic advising appointment
- Attend a BAAS Degree Planning Session

Freshman and Sophomore Level Courses
### CTE 3313E (3 hours)

- **CTE 3313E Intro to Interdisciplinary Studies for the BAAS Degree**

CTE 3313E may either be applied as a Professional Development (PD) course or as part of the Occupational Emphases Module of the BAAS degree. Please consult with your Faculty Advisor regarding placement of this course within your degree plan. CTE 3313 must be successfully completed in order to move onto OCED 4350.

### OCCUPATIONAL EMPHASES MODULE (48 hours)

- **OCED 4350 Adult Development and Career Planning (WI)**
- **OCED 4111 Independent Study in Occupational Education (Optional)**

This module may be satisfied by credits earned from prior learning assessment via work/life experience and non-collegiate training, transfer coursework, and credit by examination. Courses will be reviewed by the department after the BAAS Degree Planning Session.

### PROFESSIONAL DEVELOPMENT MODULE (21 hours)

Professional Development courses are individualized to your educational needs. You will choose advanced level courses from at least three academic departments related to your future career goals. View professional development course options at [www.owls.txstate.edu/undergraduate-degrees/degree-planning](http://www.owls.txstate.edu/undergraduate-degrees/degree-planning). 21 hours of Professional Development coursework is required.

- **Professional Development Course**

**NOTES**

This degree plan check sheet is intended to be used as an outline of your degree, not a substitute for academic advising. Students are expected to meet with an academic advisor to ensure successful progression toward degree requirements. Meeting with an academic advisor at least once a semester is strongly encouraged as Round Rock courses are offered on a semester rotation.
