Texas State Retirement Plans 101

TRS? ORP? 403(b) ? 457?
Does it sound like I'm speaking another language?

Join me to discuss the retirement plan options at Texas State. This is a basic course designed to help you understand your retirement benefits and the voluntary savings plans options available to faculty and staff.

Topics covered:

- TRS and ORP basics
- What are 403(b) and 457 accounts?
- What is the difference between a Roth and Traditional Account?
- How to enroll in a voluntary savings plan through Texas State

Who Should Attend:

- New staff and faculty
- Those interested in saving more for retirement but aren't sure where to start
