Why we chose Handshake

A photograph of two young women smiling at an event. The woman on the left has dark curly hair and is wearing a white top and a blue lanyard with a badge. The woman on the right has long brown hair and is wearing a black and white patterned top and a white lanyard with a badge. The background is slightly blurred, showing what appears to be a booth or display area. The entire image is overlaid with a semi-transparent orange filter.

Handshake highlights for career centers

Outcome tracking

You get the complete picture of student status, needs, and internship/job destinations.

Event management

With digital invitations, built-in social sharing, and advanced tools like check-in, the success of each event is easily measured.

Career fair planning

From payment processing to employer registration, it's easy to manage a career fair of any size.

Building & room management

Just tell the system how many rooms are available, and we'll make the process of booking and managing rooms a cinch for you and employers.

Job postings

Recruiters can quickly post jobs from a single dashboard, which connects to a wider network of schools. Handshake's algorithms show personalized postings to students every time they log in.

Appointments

Students can book, view, and manage their appointments from anywhere. Built-in reminders, calendar integrations, and notes help them manage busy schedules.

Contact management

Integrate your recruiter contact management activity in Handshake with your address book.

Advanced reporting

With our sophisticated reporting tools, you will be ready to answer any question.

Modern design

Handshake is built on the same technology as your favorite web applications, so it feels familiar.

Handshake Highlights for Employers

Schedule on-campus interviews, register for upcoming career fairs, or set up your own events. Then manage the logistics & payment all through Handshake.

1 Account, 170 Schools

Ditch the dozens of websites, logins and passwords. With Handshake you get a single integrated network.

So, are you ready to login?

The screenshot shows a login interface for 'Jobs4Cats' at Texas State University. The left side features a blue background with the 'JOBS4CATS' logo (a cat head above the text) and the user's name 'Sheyenne', affiliation 'Texas State University', and email 'krysher@txstate.edu'. A link 'Not you? Switch Accounts' is at the bottom. The right side is white and says 'Welcome Back' with the instruction 'Enter your password to log in'. It includes a password input field with masked characters, a blue 'Log In' button, a checkbox for 'Keep me logged in', and a link for 'Forgot your password?'. The footer contains the 'Texas State University Sign On' logo and text.
