MAJOR OF THE MONTH

Recreation Administration

The Bachelor of Science in Recreational Administration combines classroom learning and on-the-job training. Students study such areas as recreation programming, leadership, marketing, evaluation, leisure education, administration, and therapeutic recreation. Graduates are prepared to take a national examination to obtain the Certified Park and Recreation Professional certification. The program is nationally accredited. The two options within the program are recreation administration and therapeutic recreation.

Class Examples:
- Leisure & Outdoor Recreation
- Intro to Therapeutic Recreation
- Design and Maintenance of Recreation Facilities
- Evaluation of Leisure Service Programming
- Recreation Program Development

Possible Work Settings:
- Outdoor or Summer Camps
- Community Recreation Centers
- State or National Parks
- Fitness Centers
- Rehabilitation Facilities
- Hospitals

For more Information about Recreation Administration:

Resource of the Month:

Counseling Center
www.counseling.txstate.edu

All counseling services are confidential and free to currently enrolled students. Psychiatric services, which are offered in collaboration with the Student Health Center, require a small co-payment. Here are just a few ways they can help:

- Short-term individual and group counseling
- Self-help resources
- Educational Outreach and Stress workshop
- Psychiatric referral
- Consultation
