QUESTION;

Article II, Section 2(b) states: “...The term of a Senator shall be one year from their installation by the President or until the Senator's successors are installed.”

How does the court interpret the year length of a Senator's term in the instance he is appointed in the spring by the Student Government President? Furthermore, how does the court interpret the required qualifications in the instance a Senator runs to extend his term seeing he has no successor as outlined in the Senate Standing Rules, Article II, Section 2(b)?
