Welcome to Bobcat Day

We’re glad you’ve joined us for Texas State’s premier open house event, Bobcat Day. Here are some tips to help you make the most of your day:

1. Spend the first half of your day in **information sessions** designed to help you become familiar with our campus, academic majors and programs. If you’re not sure where to start, attend a **Plan Your Day** session. See page 2 for a schedule with locations and times of all the sessions.

2. Stop by our **Academic Majors and Student Services Fair** where you can visit with Texas State faculty and staff and browse the tables. 9:30 a.m. to noon (come and go as you please) in the LBJ Student Center, third-floor ballroom. See page 4 for a listing of our majors and student services.

3. Go on a guided **campus walk** around our beautiful campus. The walk lasts about one hour and departs every 10 minutes starting at 10 a.m. LBJ Student Center, Second Floor, near the Lair. The last group departs at 1 p.m.

4. Hop on a Bobcat Day shuttle at the LBJ Student Center and choose which **residence halls** you would like to visit. Texas State shuttles will transport you around campus for residence hall visits. See page 6 for more information and the map on page 7 for shuttle routes.
