From Foster Care to College Student: Helping Foster Care Alumni Succeed at Texas State

Being a college student is hard and everyone needs support. FACES (Foster Care Alumni Creating Educational Success) is a program intended to assist students who are involved in the foster care system and attending or considering attending Texas State. The FACES initiative is a campus-wide effort to expand and evaluate support services for foster care alumni at Texas State University. It is a partnership between the Vice President for Student Affairs Office, the School of Social Work, the Sociology Department and Title V PACE/MAC.

Workshop topics include:

- Overview of foster care
- Foster care in higher education
- Foster care at Texas State
- Overview of FACES
- Opportunities for supporting foster care alumni on campus
- Next steps: mentoring, Foster Care Advisory Council, etc.
