Texas Education Code Section 61.822 requires that Texas public institutions facilitate the transferability of lower-division course credit through the Core Curriculum. The Core Curriculum contains nine Foundational Component Areas (42 hours), which every Texas State student must satisfy to graduate.

Texas State is a participant in the Texas Common Course Numbering System (TCCNS). Use the TCCNS to find courses you can take at your institution to ensure transfer of credit toward freshman- and sophomore-level degree requirements at Texas State.

Students will receive core credit at Texas State for any course successfully completed in the Core Curriculum of the sending institution.

RECOMMENDED CORE CURRICULUM CHOICES FOR THE BESS-HCP
The BESS-HCP requires specific courses for degree completion, and with wise planning, you may take courses that satisfy both the Core Curriculum and the BESS-HCP requirements:
