NOTES:
1. <i>Italicized</i> courses satisfy both Alamo and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
3. Students may elect to complete courses in a different sequence where possible but should consult a counselor/advisor before doing so.
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Alamo to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
5. Students transferring with fewer than 16 hours must take US 1100. If US 1100 is not required, a one-hour elective may be required in order to meet the minimum hours required for the degree.
6. The most updated program requirements, prerequisites, and course descriptions in the Texas State Undergraduate Catalog are available online at http://mycatalog.txstate.edu
