2 Select one course from the Social and Behavioral Sciences component area (080) of the Core Curriculum list.

**NOTES:**

1. *Italicized* courses satisfy Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
3. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
4. Students should consult an academic advisor when choosing the sequence of courses.
5. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to the community college to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
6. A minimum of 120 credit hours, 9 writing intensive hours, and a total of 36 advanced hours are required to graduate. An advanced course is one that is numbered above 3000 and below 5000.
7. Students transferring with fewer than 16 hours will be required to take US 1100.
8. The most updated program requirements to the Texas State Undergraduate Catalog are available online at [http://www.txstate.edu/curriculumservices/catalogs/undergraduate/catalogs/2014-16.html](http://www.txstate.edu/curriculumservices/catalogs/undergraduate/catalogs/2014-16.html)
UNIVERSITY ADMISSION:

1. Submit completed ApplyTexas Application form (www.applytexas.org), application fee ($75), and all credentials to the Office of Undergraduate Admissions by the stated deadline (Fall-July 15, Spring-November 15, Summer I-May 1, Summer II-June 15).

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

Students transferring directly to Texas State University from a community college may elect to follow the Texas State catalog in effect at the time they entered the community college, or any subsequent catalog upon approval of the Dean of their College. Students are reminded to refer to their designated catalog for information relating to University, College, and/or Departmental requirements for curriculum, graduation, probation/suspension, and other general information.
