1. This module may be satisfied by credits earned from experiential learning (work/life experience, non-collegiate sponsored instruction, credit by examination), transfer work from other accredited institutions of higher learning, or a comprehensive cooperative education program. OCED 4350 (Occupational Assessment) is the required entry course for this module.
2. Professional development sequences are individualized to students’ educational needs. Students will choose courses from at least three academic departments with the assistance of the degree advisor. This module of 18 hours constitutes the major for GPA calculation purposes.
3. Elective hours needed to complete the 120-hour degree are chosen with the advice of the student’s degree advisor.

### OCCUPATIONAL EMPHASIS MODULE (48 semester hours)

This module may be satisfied by credits earned from experiential learning (work/life experience, non-collegiate sponsored instruction, credit by examination), transfer work from other accredited institutions of higher learning, or a comprehensive cooperative education program. OCED 4350 (Occupational Assessment) is the required entry course for this module.

### PROFESSIONAL DEVELOPMENT MODULE (18 semester hours)

Professional development sequences are individualized to students’ educational needs. Students will choose courses from at least three academic departments with the assistance of the degree advisor. This module of 18 hours constitutes the major for GPA calculation purposes.

### ELECTIVE MODULE (hours to complete the 120-hour degree)

Elective hours needed to complete the 120-hour degree are chosen with the advice of the student’s degree advisor.

### NOTES:

1. **Any student who did not complete two years of the same foreign language in high school will be required to take 6-8 hours of the same foreign language.**
2. If transfer hours or work life credits do not bring the degree total to over 120 accepted credits, additional courses will be prescribed.
3. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to ACC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
5. Students must complete 30 hours of residence credit with Texas State in order to be awarded the degree.
6. Due to individualization and the unique nature of the program requirements, students should consult the Occupational Education website and attend a special orientation and degree audit report session.

UNIVERSITY ADMISSION:

1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), application fee, and all credentials to the Texas State Office of Undergraduate Admissions by the stated deadline: www.admissions.txstate.edu/future/transfer/deadlines.html

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

4. Visit the Round Rock Higher Education Center website to ensure you complete the appropriate steps for Getting Started at the RRHEC since the procedures for getting started are different from those in place at the main campus: www.rrhec.txstate.edu/prospective/starting.html
