1 Some required Psychology courses are offered irregularly at RRC. This may affect the psychology prerequisite timeline. All required courses are offered in San Marcos every semester for students who wish to avoid delays in their course progression. In addition, some required courses are available online or through correspondence studies.

2 Students are required to take 14-16 hours of the same foreign language, which may include American Sign Language. The freshman-level language courses from ACC satisfy the Communication component area (011) of ACC’s Core Curriculum. Therefore students who complete the freshman-level language courses at ACC do NOT need to take SPCH (011) and the two KINE to satisfy requirements. The two sophomore-level courses must be from the same language as the two freshman-level courses.

3 Select one ENGL course from the Humanities component area (040/041) of ACC’s Core Curriculum list

4 Select any course from the Visual and Performing Arts component area (050) of ACC’s Core Curriculum list.

5 Select any course from the Social and Behavioral Sciences component area (080) of ACC’s Core Curriculum list.

6 Courses designated with a “C” are also available via Texas State Correspondence (www.correspondence.txstate.edu). You may take up to a total of 18 hours via Correspondence.

**NOTES:**

* Texas State Round Rock only offers the upper level courses. All lower level course work must be completed at ACC, in San Marcos or via Correspondence. The lower level core courses should be completed before applying to Texas State Round Rock.

1. A minimum 120 semester hours are required to graduate from Texas State. Some students may need to enroll in additional free elective hours to reach the required 120 hour minimum.

2. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval). Take remaining lower level courses via Texas State Correspondence.

3. Must complete 36 advanced hours, 9 writing intensive (WI) hours, and 24 of the last 30 hours must be completed at Texas State.
