## NOTES:
1. *Italicized* courses satisfy Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. A minimum of 9 writing intensive hours and a total of 36 advanced hours are required to graduate. An advanced course is one that is numbered above 3000 and below 5000.
3. If two years of the same foreign language were completed in high school, then no additional language hours will be required for the degree. In the absence of high school language, two semesters of the same modern language must be taken at the college level.
4. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
5. Order of courses should be determined in consultation with an academic advisor.
6. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to the two-year college to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
7. Students transferring with fewer than 16 hours will be required to take US 1100. If US1100 is not required, a one-hour elective may be needed in order to meet minimum hour requirements.
8. The most updated program requirements, prerequisites, and course descriptions in the Texas State Undergraduate Catalog are available online at [http://www.txstate.edu/curriculumservices/catalogs/undergraduate/catalogs/2014-16.html](http://www.txstate.edu/curriculumservices/catalogs/undergraduate/catalogs/2014-16.html)
