1. Courses in (parentheses) indicate Texas State equivalents.
2. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
3. Students may elect to complete courses in a different sequence where possible but should consult a counselor/advisor before doing so.
4. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
5. Nine hours of designated "writing intensive" (WI) courses must be completed at Texas State to satisfy degree requirements.
6. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Blinn to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
7. Students transferring with fewer than 16 hours completed after high school graduation must take US 1100. If US 1100 is not required, a one-hour elective may be needed in order for students to reach the degree minimum, and should be chosen in coordination with an academic advisor.

**NOTES:**

1. Unless a specific course (or list of courses) is listed, select the required number of course hours fulfilling the core component area denoted (0-9).
2. No more than 15 hours in criminal justice may be transferred from a community college. If the community college is in the state of Texas, the 15 hours must be composed of the five criminal justice core courses (or their equivalents).
3. SOCI 3307 is recommended for Sociology minors.
4. A student must meet the following requirements before being allowed to enroll in an internship course: Texas State GPA of 2.25, CJ GPA of 2.50, completion of 93 college coursework hours (including 21 in CJ), and permission of Internship Coordinator.
