1 No more than 15 hours in criminal justice may be transferred from a community college. If the community college is in the state of Texas, the
15 hours must be composed of the five criminal justice core courses (or their equivalents).
2 Select two courses from the Natural Science component area (030) of Brookhaven’s Core Curriculum.
3 Select one ENGL course from the Humanities component area (041) of Brookhaven’s Core Curriculum.
4 Select one course from the Visual and Performing Arts component area (050) of Brookhaven’s Core Curriculum.
5 For the Statistics requirement, SOCI 3307 is recommended for Sociology minors.
6 Students transferring with fewer than 30 hours will be required to take US 1100.
7 A student must meet the following requirements before being allowed to enroll in an internship course: Texas State GPA of 2.25; CJ GPA of
2.50; completion of 93 college coursework hours (including 21 in CJ); ENGL 1301 and 1302; CJ 3346; HIST 1301 and 1302; SPCH 1311 or
1321; MATH 1314, 1324, or 1332, and 2328 or CJ 3347; GOVT 2305 and 2306; 7 hours of Natural Science; and permission of Internship
Coordinator.

NOTES:
1. Italicized courses satisfy both Brookhaven and Texas State Core Curriculum requirements. Courses in (parentheses) indicate Texas State
   equivalents.
2. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
3. Students may elect to complete courses in a different sequence where possible but should consult a counselor/advisor before doing so.
4. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
5. Nine hours of designated “writing intensive” (WI) courses must be completed at Texas State to satisfy degree requirements.
6. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Brookhaven to be applied
   toward an associate’s degree. This is commonly referred to as “reverse transfer.”
