- NOTES:**
- Italicized* courses satisfy both Collin and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
 - Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
 - Students may elect to complete courses in a different sequence where possible, but should consult a counselor/advisor before doing so.
 - If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
 - Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Collin to be applied toward an associate's degree. This is commonly referred to as "reverse transfer."
